PAWAN KUMAR, Under Secy.

नई दिल्ली, 18 दिसम्बर, 2017

का.आ. 2862.—केन्द्रीय सरकार को लोकहित में यह आवश्यक प्रतीत होता है कि पारादीप (ओड़िशा) से हैदराबाद (तेलंगाना) तक पेट्रोलियम उत्पादों के परिवहन के लिए इंडियन ऑयल कॉर्पोरेशन लिमिटेड के द्वारा "पारादीप-हैदराबाद पाइपलाइन" बिछाई जानी चाहिए;

और केन्द्रीय सरकार को ऐसी पाइपलाइन बिछाने के प्रयोजन के लिए यह आवश्यक प्रतीत होता है कि ऐसी भूमि में जो इस से उपाबद्ध अनुसूची में वर्णित है और जिस में उक्त पाइपलाइन बिछाए जाने का प्रस्ताव है, उपयोग के अधिकार का अर्जन किया जाए;

अतः अब, केन्द्रीय सरकार, पेट्रोलियम और खनिज पाइपलाइन्स (भूमि में उपयोग के अधिकार का अर्जन) अधिनियम, 1962 (1962 का 50) की धारा 3 की उपधारा (1) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, उस भूमि में उपयोग के अधिकार का अर्जन करने के अपने आशय की घोषणा करती है;

AWARD

Dated: 10.10.2017

1. The Central Government in exercise of the powers conferred under clause (d) of Sub Section 1 & 2(A) of Section 10 of the Industrial Disputes Act 1947 has referred the following Industrial dispute to this tribunal for adjudication:-

“Whether the claim of Shri Ramavatar Raiger S/o Sh. Nathu Ram Raiger that he was engaged as a sub-staff during the period from 05.01.1992 to 03.02.1993 by the management of Bank of Baroda is correct? If so, whether the management in terminating him from service w.e.f. 04.02.1993 is justified and legal and what relief is the disputant concerned entitled to?”

2. According to statement of claim briefly fact of the case is that applicant was appointed by non-applicant on 5.1.92 as IV class employee & his services were terminated by non-applicant on 4.2.93 by oral order. It has been further alleged that services of the applicant were terminated by non-applicant in violation of principle of natural justice, section 25-F, section 25-G, Section 25-H of I.D.Act, 1947 & rule 77 & 78 of the Industrial Disputes (Central) Rules, 1957. It has been further alleged that the act of the non-applicant in terminating the services of the applicant is covered within the definition of unfair labour practice.
3. It has been further alleged that applicant repeatedly requested the non-applicant orally as well as in writing not to remove him from the job & take him back on duty but his request was not considered & he was not taken back on duty. It has been further contended that he is jobless since termination of his service. In para 4 & 5 of statement of claim it has been alleged that conciliation proceeding resulted in failure & failure report was submitted to the Central Government & Central Government had refused to make reference for adjudication. Later applicant preferred writ petition no.4171/2011 before the Hon'ble Rajasthan High Court which was allowed on 4.4.2005 & in compliance of the Hon'ble High Court reference was sent by Central Government for adjudication. It has been contended that his removal from the service by oral order of the non-applicant is illegal which was done without giving notice or pay in lieu of notice or retrenchment compensation. It has been requested that order of termination of services dated 4.2.93 by non-applicant be declared null & void & applicant be reinstated in the service with continuity & consequential benefits.
4. Reply to statement of claim consists of two parts. Part one is preliminary objection & part two is para wise reply to statement of claim. In preliminary objection it has been alleged that establishment of non-applicant is an undertaking of Central Government where settled procedures have been provided for recruitment of the workman. Sub-staff or Class IV employee of the bank cannot be appointed without following the procedure of recruitment & Branch Manager of the bank is not the appointing authority for the applicant & Branch Manager has no right to make appointment of any kind. All the recruitments are made by regional office or central office of the bank.
5. Further, it has been alleged that looking into the need of casual works Sh. Ramavatar Raiger was engaged for temporary work by Branch Manager of Station Road branch of the bank on daily wage basis. He was engaged on 5.11.92. He worked only for 60 days between the period 5.11.92 to 16.1.93. He did not appear for work after 16.1.93 & abandoned the work of the bank. It has been alleged that contention of the applicant is wrong that his services were orally terminated on 4.2.93. The case of the applicant is not covered within the definition of 'Industrial Dispute' as given in section 2(K) of the I.D.Act, 1947. It has been further alleged that provision of section 25-F, 25-G, 25-H of I.D.Act, 1947 & rule 77 & 78 of "The Industrial Disputes (Central) Rules, 1957" does not apply to the case of the applicant. Vide order dated 31.5.99 Central Government had refused to refer the dispute of applicant for adjudication. Applicant had worked on last date on 16.1.93 & raised his dispute before the Conciliation Officer on 17.3.98 after laps of five years without explaining delay for raising the dispute hence, claim of the applicant is liable to be dismissed on the ground of limitation.
6. In para wise reply to statement of claim, statements in para 1 to 6 have been alleged to be wrong & specifically denied. Further, it has been alleged that looking into the need of the work applicant was engaged by Branch Manager of the Station Road branch on 5.11.12 on daily wage basis @ Rs. 45/- per day on casual basis & statement of the applicant is completely wrong that he was appointed on 5.1.92 by the bank on the post of IVth class. Branch Manager is not the competent authority to offer appointment to the applicant or any person & entire matter has been made clear in the preliminary objection.
7. It has been further alleged that bank does not maintain the record relating to daily wage employees because there is no requirement to maintain such record. Applicant had last appeared for work in branch on 16.1.93 & after 16.1.93 he never appeared for work hence, contention of the applicant is wrong that his services were termination orally on 4.2.93. As the applicant did not appear for work after 16.1.93 there was no question of terminating his services on 4.2.93.
8. In para 3 of statement of claim applicant has alleged that many time orally as well as in writing applicant requested not to remove the applicant from work & he be kept on the work, against this it has been alleged that applicant never wrote any letter to the bank & no record of such letter is available with the bank. It has been further alleged that there is no employer-employee relationship between the bank & the applicant & there was no reason for the applicant to enter into the correspondence with the bank.
9. It has been further alleged that after failure of conciliation Central Government had already refused to make reference vide order dated 31.5.93 & since then there has been no changed in facts of the case & reference has been made by central Government on the basis of order of Hon'ble Rajasthan High Court hence, applicant has no cause of action & he is not entitled to any relief from the tribunal. It has been further alleged that tribunal is not having jurisdiction to try the case of the applicant & statement of claim is liable to be dismissed. It has been alleged that as applicant was never dismissed by the bank there was no question of giving notice for his removal of the applicant from the work or conducting any enquiry against the applicant.

10. In para 8 of the reply non-applicant has submitted detail of number of days work done by applicant & payment made in relation to those working days. The detail is as under :-

Working period	number of days	amount of payment
5.11.92 to 10.11.92	09	405.00
17.11.92 to 28.11.92	10	450.00
30.11.92 to 11.12.02	12	540.00
14.12.92 to 23.12.92	09	405.00
<u>24.12.92 to 16.1.93</u>	<u>20</u>	<u>900.00</u>

Total = 60 days

11. It has been alleged that applicant has worked only for 60 days as temporary daily wager & no provision of I.D.Act, 1947 applies to the case of the applicant & no provision of I.D.Act, 1947 or any rule of "The Industrial Disputes (Central) Rules, 1957" has been violated. It has been alleged in para 11 of reply that there is no provision in the bank for preparing seniority list of daily wage employees & provision of rule 77 & 78 has not been violated by non-applicant. It has been finally prayed that statement of claim of the applicant be dismissed with cost.

12. In rejoinder filed by applicant preliminary objections raised by non-applicant have been denied. Against para wise reply to statement of claim by non-applicant, contention in all the paragraph alleged by non-applicant have been denied & statement made by applicant in his statement of claim has been reiterated.

13. Following issues were framed by my learned predecessor on 9.11.2005 :

- | | | |
|------|--|------|
| I. | Whether the claimant was employed as a 4 th Class on 5.1.1992 by the non-applicant, who continuously worked till 4.2.1993, on which date his service was terminated in violation of Section 25-F of the ID Act? | BOA |
| II. | Whether the workman's service was terminated in contravention of the provisions under Sections 25-G and 25-H of the ID Act? | BOA |
| III. | Whether the present dispute does not fall within the purview of Section 2-K of the ID Act? | BONA |
| IV. | Whether the present dispute is liable to be rejected on being raised belatedly before the Conciliation Officer? | BONA |
| V. | Relief, if any. | |

14. Sh. Ramavatar Raigar, workman has filed affidavit in evidence in support of his statement of claim & has been cross examined by opposite party. Affidavit of Sh. Jairam Maurya, Manager, Bank of Baroda has been filed in evidence by opposite party who has been cross examined by applicant.

15. Applicant has not filed any documentary evidence in support of statement of claim. Opposite party has filed photocopy of two payment vouchers dated 12.12.92 & 23.12.92 relating to payment of wages to the applicant for the period 30.11.92 to 12.12.92 & 14.12.92 to 23.12.92 respectively. These vouchers have been filed in compliance of order of tribunal dated 9.5.2006 passed on the application of the applicant dated 3.1.2006 for summoning the document from the custody of opposite party. No other document has been filed by either party. Opposite party has filed affidavit of Sh. B.S.Dhaka, Chief Manager, Bank of Baroda on 2.7.2010 wherein non-availability of certain documents have been shown which were allowed to be filed vide order dated 9.5.2006 but could not be submitted because of non-availability despite search made by opposite party to get the documents traced.

16. Heard the arguments of learned representative of both the parties & perused the record carefully.

17. No case law has been referred by opposite party. Following case law has been referred from the applicant side:-

1. 2010 LAB IC 3926, Orissa High Court, Divisional Manager, Boudh Commercial Division, Orissa Forest Development Corporation Ltd.....petitioner V/s. Godabarish Badajena & Anr.....respondent.

18. It has been argued by learned representative of the applicant that non-applicant had appointed the applicant on class IV post on 5.1.92 but terminated the services of applicant Sh. Ramavatar by oral order without following the provision of 25-F of the I.D.Act, 1947 which requires notice or pay in lieu of notice & retrenchment compensation to be paid to the applicant before effecting the order of termination. It has also been argued that non-applicant has also violated the provision of section 25-G & 25-H of I.D.Act, 1947 & rule 77 & 78 of the Industrial Disputes (Central) Rules, 1957. It has also been argued that written & oral submissions were made by applicant to take him back on duty

but it was not responded affirmatively by non-applicant. It has also been argued that records relating to service period of the applicant have not been submitted to the tribunal by non-applicant hence, presumption must be drawn in favour of applicant against non-applicant about 240 days working of the applicant immediately preceding the date of termination. Countering the above argument it has been argued by learned representative of the opposite party bank that contention of the applicant is wrong & baseless that he was appointed by the bank on 5.1.92 because applicant was engaged by Branch Manager on daily wage basis to meet the necessity of work whereas branch manager is not empowered to recruit any person on any post & only regional office & head office are empowered to make recruitment on class IV post & no recruitment process has been followed in case of applicant. It has been further submitted that applicant was not engaged on 5.1.92 as alleged by him & he was engaged on 5.11.92 & he worked only till 16.1.93 & himself stopped coming on work w.e.f. 17.1.93 & contention of applicant is wrong that his services were terminated on 4.2.93. It has been further submitted that central government had refused to make reference for adjudication after conciliation failure & in compliance of the order of the Hon'ble High Court reference has been made for adjudication by central government & non-applicant has not violated the provisions of section 25-F, 25-G, 25-H of I.D. Act, 1947 & rule 77 & 78 of the Industrial Disputes (Central) Rules, 1957.

Decisions on issues.

Issue no. I

19. This issue is to the effect that Whether the claimant was employed as a 4th Class on 5.1.1992 by the non-applicant, who continuously worked till 4.2.1993, on which date his service was terminated in violation of Section 25-F of the ID Act? Burden of proof is on the applicant to prove the facts relating to issue no.I. In statement of claim & in affidavit filed in support of statement of claim applicant has contended that he was appointed on class IV post by non-applicant on 5.1.92 whereas non-applicant has alleged that applicant was engaged by branch manager on 5.11.92 who is not empowered to appoint the applicant on any post. Applicant has alleged in cross examination that he was engaged by branch manager. He has further alleged that he was not given any appointment letter. He has further admitted that he was not interviewed by any officer of the regional office of the bank & branch manager of the bank interviewed him but he was not given any call letter for interview. He has also admitted that he has not filed any document on record which may indicate that he was appointed in the bank on 5.1.92. He has alleged in cross examination that it is not in his notice that any advertisement was made for the post or not on which he alleges to have been appointed by the non-applicant. About date of appointment he has alleged that it is not correct to say that he was appointed on 5.11.92 instead he was appointed on 5.1.92. It is important to mention that contention of the applicant that he was appointed on 5.1.92 is not supported by any other witness or by other documentary evidence. Here it is pertinent to note that beside admission of the fact by applicant that he was not issued with any appointment letter no documentary evidence has been filed by applicant in support that he was appointed on 5.1.92 or he was issued with any appointment letter or he faced any recruitment process for appointment to the post of class IV employee. In para 8 to reply to statement of claim & in para 3 of affidavit of witness for opposite party Sh. Jairam Maurya first date of engagement of the applicant by branch manager has been shown as 5.11.92 & applicant has admitted that he was engaged by the branch manager of the bank. There is nothing in cross examination of Sh. Jairam Maurya or on record of the file except bare contention of the applicant to make a conclusion that applicant was appointed on 5.1.92. On the basis of above discussion I am of the view that applicant has failed to prove that he was appointed on 5.1.92 by opposite party & further I am of the view that applicant was engaged by branch manager of the bank w.e.f. 5.11.92 as daily wage employee.

20. As far as the contention of the applicant about continuity of the his service from 5.1.92 to 4.2.93 is concerned it has been settled with discussion made above that applicant has failed to prove that he was appointed on 5.1.92 & it has emerged with evidence that he was engaged as daily wager by branch manager of the bank on 5.11.92. The contention of the opposite party bank is that applicant worked till 16.1.93 only & thereafter did not come back on the work whereas contention of the applicant is that applicant has worked till 4.2.93. Except bare statement of the applicant in his statement of claim & its repetition in affidavit of the applicant there is nothing on record as evidence filed by applicant to support his contention that he has worked till 4.2.93. Applicant has admitted in his cross examination that he has not filed any documentary evidence about the fact that he has worked in the bank after 16.1.93 because he was not given any document in this connection by non-applicant. From the statement of payment made by non-applicant to applicant in para 3 of the affidavit of Sh. Jayram Mourya it appears that applicant has been paid a sum of Rs.900/- as wages for the period 24.12.92 to 16.1.93. This period of 24.12.92 to 16.1.93 has been the last period of working by applicant before he left the work as contended by non-applicant. Applicant in his cross examination has alleged that he is unable to recollect that in January, 1993 he was paid Rs.900/- as wages or not. He has also alleged that it is not correct to say that he has worked only for 60 days between the period 5.1.92 to 16.1.93 & he did not work after 16.1.93. Sh. Jayram Maurya in his cross examination has alleged that applicant had worked for period of two months from Nov, 1992 to Jan, 1993. He has also alleged that record of payment voucher relating to daily wagers are maintained but attendance register for daily wagers is not maintained. From the above discussion of evidences produced from both the side I am of the view that applicant has failed to prove his contention in his statement of claim that he has continuously worked

for the period 5.1.92 to 4.2.93. From the appreciation of evidence of both parties it appears that applicant has worked between the period 5.11.92 to 16.1.93 for the period of 60 days for which he has been paid by non-applicant.

21. As far as the consideration of the question whether services of the applicant was terminated in violation of section 25-F of I.D.Act, 1947 is concerned it has been argued by learned representative of the applicant that services of the applicant has been terminated in violation of section 25-F of the I.D.Act, 1947. Reliance has been place on the case reported in 2010 LAB IC 3926, Orissa High Court, Divisional Manager, Boudh Commercial Division, Orissa Forest Development Corporation Ltd.....petitioner V/s. Godabarish Badajena & Anr.....respondent.

22. In 2010 LAB IC 3926, Orissa High Court, Divisional Manager, Boudh Commercial Division, Orissa Forest Development Corporation Ltd.....petitioner V/s. Godabarish Badajena & Anr.....respondent, opposite party no.1 workman was engaged in the petitioner's establishment as mate on daily wages on 1.12.81 & continued in the employment till 30.6.84. It was contended by workman that when he claimed for regularisation his services were terminated illegally w.e.f. 30.6.84 without any notice or notice pay or retrenchment compensation. It was further contended that he continued approaching the authorities for reinstatement & when there was no response he approached the Conciliation Officer of the labour department. On failure of conciliation proceeding following reference was made for adjudication by State Government to the Labour Court:-

“Whether the termination of services of Sri Godabarish Badajena, Mate with effect from 2.7.84 by the management of Divisional Manager, O.F.D.C. Ltd., Boudh Commercial Division, Boudh is legal and/or justified? If not to what relief Sri Badajena is entitled?”

23. Workman (opposite party no.1) claimed for regularisation of service with full back wages & other consequential service benefits. Resisting the claim of opposite party no.1, it was submitted by the petitioner that opposite party no.1 voluntarily abandoned his job from 1.7.84 & services of the workman was never terminated. It was further contended that workman, being a casual worker was not entitled to any relief in view of voluntary abandonment of his service. The claim of the workman was also resisted on the ground of delay in raising the dispute in the year 1992 after laps of after 8 years from the date of termination of service. It was also contended by petitioner that due to ban on felling of timber, the workload of the management had considerably decreased & there was no sufficient work for regular employees of the corporation due to that claim of the workman could not be considered. Vide award dated 30.3.2006 passed by learned Presiding Officer, Labour Court, Bhuwaneswar, it was held that termination of services of workman w.e.f. 1.7.84 by petitioner was illegal & unjustified & workman was entitled to reinstatement without back wages. Aggrieved by the award dated 30.3.2006 petitioner preferred writ petition before the Hon'ble High Court. It was observed by Hon'ble High Court in para 6 of the judgment that it was not disputed that workman was in employment of the management from 1.12.81 to 30.6.84 & witness for the management had admitted that workman had worked continuously till 30.6.84. The stand taken by management was that workman had abandoned the services & he was not terminated. This stand was not accepted by Labour Court & also by Hon'ble High Court in view of the fact that a letter was issued by Chairman of OFDC, Bhuwaneswar wherein it was specifically observed by the Chairman that compliance of section 25-F was not done while terminating the services of the workman & two other employees along with the workman. Accordingly, Divisional Manager, OFDC, Boudh was requested by Chairman to engage all the three employees as mentioned above. In above background of direction of the chairman the plea of abandonment taken by management was not entertained by Labour Court as well as Hon'ble High Court & finding the clear violation of section 25-F of the Act on account of admitted position by management petition of the employer was dismissed by Hon'ble High Court. The plea of abandonment was also not entertained in view of the fact that workman had made various representations to take him back on duty which was indicative of the fact that had the workman abandoned the job he would have not made representation to take him back on duty.

24. It is evident from the appreciation of the evidence of both parties made above that applicant has failed to prove that he has worked continuously for 240 days in a calendar year immediately preceding the date of his alleged termination hence, there is no violation of the provision of section 25-F of the I.D.Act, 1947. It is also evident from the record of the case that applicant has also failed to prove that he had made any written representation before the non-applicant against his alleged termination.

25. It is clear that the fact & circumstances of the case of 2010 LAB IC 3926, Orissa High Court, Divisional Manager, Boudh Commercial Division, Orissa Forest Development Corporation Ltd.....petitioner V/s. Godabarish Badajena & Anr.....respondent that the facts of 2010 LAB IC 3926 are different than the present case of Sh. Ramavatar Raiger. In case of Sh. Ramavatar Raiger there is no admission from the side of employer that applicant had worked for 240 days to attract the provision of section 25-F of the I.D.Act, 1947 whereas in the case of Divisional Manager, Boudh Commercial Division, Orissa Forest Development Corporation Ltd V/s. Godabarish Badajena & Anr, Chairman of the management has himself given finding about breach of provision of section 25-F of the I.D.Act beside failing to establish the plea of abandonment of services by workman raised by management.

26. As far as the question of drawing adverse inference against the non-applicant regarding non-production of documents is concerned, it is necessary that before drawing adverse inference against a party the court or tribunal must see that document is in existence with the party & party was in position to produce the document in the court. In this respect observation made by Hon'ble Apex Court in 2006 Supreme Court Cases (L&S) 38, Surendranagar District Panchayat...Appellant V/s. Dahyabhai Amarsinh...Respondent is relevant wherein it has been held by Hon'ble Supreme Court in para 18 of the judgment as under :-

“18..... The courts below have wrongly drawn an adverse inference for non-production of the record of the workman for ten years. The scope of enquiry before the Labour Court was confined to only 12 months preceding the date of termination to decide the question of continuation of service for the purpose of Section 25-F of the Industrial Disputes Act. The workman has never contended that he was regularly employed in the Panchayat for one year to claim the uninterrupted period of service as required under Section 25-B(1) of the Act. In the facts and situation and in the light of the law on the subject, we find that the respondent workman is not entitled to the protection or compliance with Section 25-F of the Act before his service was terminated by the employer. As regards non-compliance with Sections 25-G and 25-H suffice it to say that witness Vinod Misra examined by the appellant has stated that no seniority list was maintained by the department of daily-wagers. **In the absence of regular employment of the workmen, the appellant was not expected to maintain seniority list of the employees engaged on daily wages and in the absence of any proof by the respondent regarding existence of the seniority list and his so-called seniority, no relief could be given to him for non-compliance with provisions of the Act. The courts could have drawn adverse inference against the appellant only when seniority list was proved to be in existence and then not produced before the court. In order to entitle the court to draw inference unfavourable to the party, the court must be satisfied that evidence is in existence and could have been proved.**” On the basis of above discussion, it is clear that in the fact & circumstances of the present case there is no scope to draw adverse inference against the non-applicant in relation to non-production of the document before the tribunal.

27. On the basis of above discussion I am of the view that applicant has failed to prove that he was employed as IV class employee on 5.1.92 by non-applicant & worked continuously till 4.2.93 & his services were terminated on 4.2.93 in violation of section 25-F of I.D.Act, 1947. From evidence of the parties it emerges that he was engaged by local branch manager of the bank on 5.11.92 & worked till 16.1.93 intermittently. Issue no.I is accordingly decided partly in favour of applicant & partly against him.

Issue no.II

28. This issue is to the effect whether the workman's service was terminated in contravention of the provisions under Sections 25-G and 25-H of the ID Act? Section 25-G of the I.D.Act, 1947 provides procedure for retrenchment of an employee & section 25-H provides provision for re-employment of retrenched workman. Provision of both the sections are as mentioned below :-

“25-G. Procedure for retrenchment — Where any workman in an industrial establishment, who is a citizen of India, is to be retrenched and he belongs to a particular category of workmen in that establishment, in the absence of any agreement between the employer and the workman in this behalf, the employer shall ordinarily retrench the workman who was the last person to be employed in that category, unless for reasons to be recorded the employer retrenches any other workman.”

25-H. Re-employment of retrenched workmen — Where any workmen are retrenched, and the employer proposes to take into his employ any persons, he shall, in such manner as may be prescribed, give an opportunity (to the retrenched workmen who are citizens of India to offer themselves for re-employment, and such retrenched workmen) who offer themselves for re-employment shall have preference over other persons.

29. From perusal of provision of section 25-G it is evident that requirement of provision of section 25-G is that in case of requirement of retrenchment of an employee or employees the management is under obligation to retrench the employee who was employed at last as per the laid down provision & so on. In case of 25-H it is required that if employer proposes to employ any person in his establishment it is necessary that he must give opportunity to retrenched workman for employment first & in the event of non-availability of retrenched person fresh person may be appointed. In statement of claim applicant has alleged in para 6(GA) about violation of provision of section 25-G & 25-H but he has not alleged that who was the person junior to him who was retained in the service & applicant was removed from service. In the affidavit also applicant has not named any person junior to him who was retained in the service & applicant was removed in violation of section 25-G of the I.D.Act, 1947. Similarly regarding violation of section 25-H applicant has not named any person in his statement of claim or affidavit in evidence that who was appointed by management without giving opportunity to the applicant for re-employment. In his cross examination applicant has alleged that one Sh. Surendra Kumar was engaged on work by management but he has not alleged that when his engagement was made & why such information about appointment of Sh. Surendra Kumar has not been in his

affidavit prepared on 16.8.2010 or in his statement of claim filed on 9.8.2005. Based on above discussion I am of the view that applicant has failed to prove that services of the workman Sh. Ramavatar Raigar was terminated in contravention of provision of section 25-G & 25-H of I.D.Act, 1947. This issue is accordingly decided against the applicant in negative.

Issue no.III

30. This issued is to the effect whether the present dispute does not fall within the purview of Section 2-K of the ID Act? It has been argued by learned representative of non-applicant that there was no dispute between applicant workman & the management because applicant had himself left the work & his services were never terminated by non-applicant & delay in raising the dispute shows that he himself left the work because had his services been terminated by non-applicant he should have filed conciliation at the earliest. He has further submitted that there is no proof that applicant made any representation about demand of his services which further supports the contention of the non-applicant that applicant had abandoned the work. Countering the above argument it has been argued by learned representative of applicant that contention of non-existence of Industrial Dispute is not acceptable because there is no evidence about voluntary abandonment of service by the applicant. 'Industrial Dispute' has been defined under section 2(k) as under :-

“(k) “industrial dispute” means any dispute or difference between employers and employees, or between employers and workmen, or between workmen and workmen, which is connected with the employment or non-employment or the terms of employment or with the conditions of labour, of any person;”

31. A bare reading of the provision provided under section 2(k) indicates that it cannot be said that there was no dispute existing between opposite party & applicant because applicant started action for conciliation proceeding after laps about five years. Similarly there can be no occasion to guess that conciliation proceeding was started late hence, it should be deemed that services of the applicant was not terminated & he abandoned the services on his own accord. On the basis of above fact & circumstances I am of the view that non-applicant has failed to prove that dispute between non-applicant & applicant does not fall within the definition of section 2(k) of the I.D.Act, 1947. This issue is accordingly decided against the non-applicant in negative.

Issue no.IV

32. This issue is to the effect that Whether the present dispute is liable to be rejected on being raised belatedly before the Conciliation Officer? It has been argued by learned representative of non-applicant that on the ground of delay in initiating conciliation proceeding by applicant statement of claim is liable to be rejected on the ground of delay. Countering the above argument it has been argued by learned representative of applicant that provision of limitation act does not apply to the cases relating to Industrial Disputes Act, 1947. Further it has been argued that on the ground of delay there may be a case for not awarding back wages by tribunal but statement of claim cannot be dismissed on the ground of delay. Burden of proof on the present issue is on the non-applicant. No evidence on this issue has been given by non-applicant to conclude that statement of claim is liable to be dismissed because of late initiation of proceeding for conciliation by applicant. Sh. Ramavatar Raigar in his cross examination about delay in initiation of proceeding has stated that on account of consultation about his case with advocates he delayed in initiating the case for conciliation. In the present circumstances of the case I find no sufficient legal reason to reject the statement of claim of the applicant on the ground of delay. This issue is accordingly decided against the non-applicant in negative.

Issue no.V

33. On the basis of result of issues I to IV I am of the view that applicant has failed to prove that he was engaged as a Sub-Staff on 5.1.1992 by management of Bank of Baroda & he worked between the period 5.1.1992 to 3.2.1993. Claim of the applicant that he was engaged as Sub-Staff during the period 5.1.1992 to 3.2.1993 by the management of the Bank of Baroda is not correct. Applicant Sh. Ramavatar Raigar has further failed to prove that action of the management in terminating him from service w.e.f. 4.2.1993 as claimed by him is unjustified or illegal. Applicant is not entitled to any relief. Statement of the claim of the applicant is dismissed accordingly.

34. Award as above.

AWARD

This is a complaint filed under Section 33-A of the Industrial Disputes Act, 1947 (in short the Act) filed by Shri Mohan Singh (in short the claimant) with the averments that the claimant was employed by the management as car driver with effect from 01.11.2001 And his last drawn salary was Rs.5750.00 per month. All other drivers have already raised industrial dispute bearing No.22 of 2007 for getting permanent absorption in the present post, which is pending for disposal before Central Government Industrial Tribunal cum Labour Court No.2, New Delhi. Management had admitted in the written statement that the drivers, including the claimant herein, have performed incidental duties in addition to the duties of drivers who are employed with the banker's case. After making reference to this Tribunal, management has started harassing and victimizing the drivers, including the complainant herein by adopting unfair means. It is also alleged that the claimant was retained by Shri Rajiv Kumar Sharma, Assistant General manager on 21.06.2010 after being transferred from Jaipur. The attitude of the Assistant General Manager with the complainant was not proper. Rather, he used to abuse the complainant. The Assistant General Manager also used indecent language in his formal conversation with the complainant.

2. It is the case of the claimant that on 02.07.2010 he left Shri Rajiv Kumar Sharma at his residence in NOIDA when he was asked by Shri Sharma to surrender the keys of the car. After receiving the keys of the car, Shri Sharma directed the complainant to report for duties directly at Lodhi Complex branch instead of coming to his residence. Thereafter, the complainant approached the branch on 03.07.2010 but he was not assigned any work and was told that his services have been terminated without any notice. Complainant was also told that now that the Manager has engaged some other driver from NOIDA area, the claimant is out of job after his termination on 03.07.2010. Demand

notice was also sent on 19.07.2010 through registered post which was duly received by the management who failed to respond to the same.

3. Reply to the above complaint was filed on behalf of the management wherein preliminary objections have been taken, inter alia of maintainability etc. It has been alleged that there is no cadre of driver/peon cum driver and complainant was engaged by the executives of the bank in their personal capacity. Executives claim reimbursement from the bank in respect of the amount paid to the claimant. Bank has no control over engagement of the car drivers and there is no relationship of employer and employee between the claimant and executives of the bank. The car drivers are entrusted outside duties by the Executives and by no stretch of imagination they can be said to be in the employment of the bank. Nevertheless, Executives of the bank are free to engage services of drivers for pooling other needs for which drivers can claim reimbursement. On merits, it is alleged that there is no contravention of provisions of Section 33 of the Act.

4. Against this factual background, this Tribunal on the basis of pleadings of the parties, framed the following issues:

- (i) Whether Shri R.K. Sharma, Assistant General Manager, Lodhi Complex branch of the bank was employed within the meaning of Section 33 of the Industrial Disputes Act in respect of the dispute referred for adjudication to this Tribunal vide order No.L-12011/142/2006-IR(B-II) New Delhi, dated 01.05.2007?
- (ii) Whether alleged act of termination of service of the claimant by Shri R.K. Sharma on 02.07.2010 falls within the purview of section 33 of the Industrial Disputes Act?
- (iii) Whether provisions of Section 33 of the Industrial Disputes Act are not applicable since claimant was a personal driver of Shri R.K. Sharma, as alleged by the bank?
- (iv) Relief

5. Both parties adduced evidence in support of the stand taken in their respective pleadings and the complainant examined himself as WW1, Shri Babu Lal as WW2, Shri Baldev Mandal as WW3, Shri Surender Kumar Prajapati as WW4 and Ms.Swati as WW5, whose affidavits are Ex.WW1/A, Ex.WW2/A, Ex.WW3/A, Ex.WW4/A and Ex.WW5/A respectively. Management in order to rebut the case of the claimant examined Shri Rajiv Kumar Sharma as MW1 and Ms.Ankita as MW2, whose affidavits are Ex.MW1/A and Ex.MW2/A respectively.

6. I have heard Shri S.B. Shailey, A/R for the claimant and Shri Rajat Arora as A/R for the management.

Findings on Issue No.(i), (ii), (iii) and (iv)

7. All these issues are being taken up together for the purpose of discussion as they are inter-related and can be conveniently disposed of. It was strongly urged there was no relationship of employer and employee between the complainant and the management and complainant was engaged as personal car driver by Shri Rajiv Kumar Sharma and the bank has no supervisory or administrative control over such drivers, whose services were at the mercy of the executives of the bank who has engaged him. It was urged that there was no violation of provisions of Section 33 of the Act inasmuch as the so called termination of services of the claimant was at the instance of the Assistant General Manager in his individual capacity. As such, provisions of Section 33 of the Act are not applicable to the present case nor there is any question of violation of provisions of Section 33 of the Act as the claimant was a personal car driver of Shri Rajiv Kumar Sharma.

8. Per contra, Shri S.B. Shailey, authorized representative, appearing on behalf of the claimant strongly urged that services of the complainant was admittedly terminated on 02.07.2010 by the executive of the bank without any show cause notice and in violation of provisions of Section 25-F of the Act. As such, act of the management is clearly in violation of provisions of Section 33 of the Act. It was also urged that in view of the provisions of Section 33 of the Act, management cannot alter, to the prejudice of the workman, conditions of services applicable to them nor can they discharge or terminate the services of the workman without permission of the Tribunal. During the course of arguments, it was not disputed on behalf of the either of the parties that reference of the drivers under Section 10 of the Act have been received by this Tribunal for adjudication wherein a dispute regarding regularization of service of the drivers is pending.

9. Secondly, learned A/R for the claimant also urged that there is ample evidence on record to suggest that the claimant was doing service with the management of the bank and was not in personal employment of the executive of the bank. In this regard, attention of the court was invited to the oral as well as documentary evidence on record.

10. Before I proceed to consider the comparative merits of the arguments raised on behalf of the respective parties, it is necessary to mention here that Section 33-A of the Act is designed with the specific purpose to serve and it is a special provision which gives direct access to the Tribunal as well as deals with dispensing speedy relief to the

aggrieved workman. There is no need to seek permission of any authority or undergoing any process of conciliation or reference under provisions of Section 10 of the Act and aggrieved worker has a right to directly file complaint before the Tribunal wherein workman can allege violation of provisions of Section 33 of the Act. In case a workman succeeds in establishing that the management has violated provisions of the Act by altering condition of service or terminating the services of the workman during pendency of the proceedings without permission or approval etc, in that eventuality, powers is vested with this Tribunal to pass appropriate orders. Thus, Section 33-A of the Act enjoins upon the Industrial Adjudicator to decide first as to whether the employer contravened provisions of Section 33 of the Act. Secondly, the Industrial Adjudicator is also required to answer the other question as to whether dismissal or punishment awarded to the claimant is justified under the law. It is a matter of common experience that during pendency of reference proceedings management has passed harsh order against the workmen as a result of which workmen are virtually facing starvation. Provisions of Section 33-A are meant to provide immediate succor to the aggrieved workman.

11. At this stage, it is appropriate to refer to the statement of the various witnesses Ex.WW1 to Ex.WW5, i.e. Shri Mohan Lal, Shri Babu Lal, Shri Baldev Mandal, Shri Surender Kumar Prajapati and Ms.Swati. A bare perusal of statements of the various witnesses would show that they have tried to support the averments made in the statement of claim. An overall examination of the statement of these witness would show that stand of the management is that the claimant was engaged as driver in his personal capacity by the executive of the bank. It has also come in evidence that the claimants were working from 10 a.m. to 6 p.m.

12. Claimant has also examined Ms.Swati, General Manager as WW5 and she has clearly deposed that Shri Mohan Singh, the claimant herein, has worked with her as personal driver for about two years. She used to take work from him from 10 a.m. to 6 p.m.. She has also admitted that Shri Babu Lal, Shri Baldev Mandal and Shri Surender Kumar Prajapati, personal drivers have been appointed as sub-staff in the bank on 21.01.2012, 27.01.2012 and 27.01.2012 respectively. She is not aware of the policy under which personal drivers of the executives can be recruited as sub staff in the bank.

13. This witness was pointedly asked a question whether salary was being paid to the claimant from accounts of the bank and after going through the record, she has deposed that the bank has issued vouchers Ex.WW5/1 to Ex.WW5/20. This also clearly shows that payment of wages to the personal drivers was being made from the kitty of the bank from the head 'miscellaneous charges'. A bare perusal of Ex.WW5/1 onwards would show that payments were made by the bank from time to time to the claimants in the form of conveyance allowance etc. Statement of MW1 Shri Rajiv Kumar Sharma is not of much help so far as question of engagement of drivers is concerned. He has also admitted that relevant documents, such as driving licence, school leaving certificate, ID Cards etc were being sent by the bank for approval before engaging personal drivers. It has also come in evidence of these witnesses that there was no complaint regarding behavior of the claimant. He has further deposed that the claimant left services of his own. This witness is also not clear about the fact whether there was any policy dealing with absorption of such drivers and whether bank has sanctioned post of driver or not.

14. Shri Sharma, witness of the management had tried to support the stand of the management regarding engagement of the claimant as personal driver. However, he has made a vague and general statement. He is not aware whether the bank has regularized service of some of the personal drivers as sub-staff. He has further stated that there is no sanctioned post of personal driver. He has further made a vital admission that the management did not have any documents to show that the concerned executive had paid directly to the claimant, which shows that payment was made from the kitty of the bank.

15. It is clear from the resume of evidence on record that the claimant was initially engaged as personal driver by Shri Rajiv Kumar Sharma, Assistant General Manager and he was doing other additional work as assigned to him by the Shri Sharma as well as other officials of the bank. He has further stated that appointment letter Ex.WW1/M1 was issued in his favour though the same is not actually letter of appointment. In fact, Ex.WW1/M1 is the Identity Card which bears specimen signature and address of the claimant herein.

16. During the course of arguments, learned A/R for the management has not denied that services of the claimant herein was not required, as such, he was not allowed to perform his duties from 02.07.2010. Admittedly, at that time, reference was pending under Section 10 of the Act before this Tribunal, terms of which is as under:

“Whether the demand of the Delhi General Workers’ Union, D-195, Karampura, Shivaji Marg, New Delhi-15, against the Chairman-cum-Managing Director, Corporation Bank, H.O.Mangla Devi Temple Road, F.B. No.88, Manglore-575001 (Karnataka)/ General Manager, Corporation Bank, Z.O. 16/10, Main Arya Samaj Road, Karol Bagh, New Delhi-15 for regularization of personal car drivers in the list enclosed at Annexure 1 is just valid and legal? If so, to what benefits the workmen are entitled to and what directions are necessary in the matter?”

17. It is also clear from the pleadings of the parties as well as submissions made at the bar that no permission/approval of this Tribunal was obtained before terminating or discharging the claimant from service by the management. This Tribunal, while answering ID No.1/2014 has specifically held that there is relationship of employer and employee between the management and claimant herein who also falls within the definition of workman. The findings recorded in ID No.1/2014 shall also form integral part of this award and a copy of award in ID No.1/2014 be also placed in this file.

18. In view of the above discussion and findings recorded in ID No.1/2014 it is held that provision of Section 33 of the Act are applicable to the present case as claimant was a workman, employed by Shri Rajiv Kumar Sharma, Assistant General Manager, in his official capacity. As a necessary corollary, it is further held that act of termination of service of the claimant by Shri Rajiv Kumar Sharma on 02.07.2010 is arbitrary and illegal which is in violation of Section 33 of the Act. Hence, issue No.(i), (ii), (iii) and (iv) are decided in favour of the claimant and against the management. Resultantly, claimant is held liable to be reinstated in service. An award is accordingly passed. Let this award be sent to the appropriate Government, as required under Section 17 of the Industrial Disputes Act, 1947, for publication.

6. I have heard Shri S.B. Shailey, A/R for the claimant and Shri Rajat Arora as A/R for the management.

7. All these issues are being taken up together for the purpose of discussion as they are inter-related and can be conveniently disposed of. It was also urged that in view of the provisions of Section 33 of the Act, management cannot alter, to the prejudice of the workman, conditions of services applicable to them nor can they discharge or terminate the services of the workman without permission of the Tribunal. During the course of arguments, it was not disputed on behalf of the either of the parties that reference of the drivers under Section 10 of the Act have been received by this Tribunal for adjudication wherein a dispute regarding regularization of service of the drivers is pending.

9. Secondly, learned A/R for the claimant also urged that there is ample evidence on record to suggest that the claimant was doing service with the management of the bank and was not in personal employment of the executive of the bank. In this regard, attention of the court was invited to the oral as well as documentary evidence on record.

10. Before I proceed to consider the comparative merits of the arguments raised on behalf of the respective parties, it is necessary to mention here that Section 33-A of the Act is designated with the specific purpose to serve and it is a special provision which gives direct access to the Tribunal as well as deals with dispensing speedy relief to the aggrieved workman. There is no need to seek permission of any authority or undergoing any process of conciliation or reference under provisions of Section 10 of the Act and aggrieved worker has a right to directly file complaint before the Tribunal wherein workman can allege violation of provisions of Section 33 of the Act. In case a workman succeeds in establishing that the management has violated provisions of the Act by altering condition of service or terminating the services of the workman during pendency of the proceedings without permission or approval etc, in that eventuality, powers is vested with this Tribunal to pass appropriate orders. Thus, Section 33-A of the Act enjoins upon the Industrial Adjudicator to decide first as to whether the employer contravened provisions of Section 33 of the Act. Secondly, the Industrial Adjudicator is also required to answer the other question as to whether dismissal or punishment awarded to the claimant is justified under the law. It is a matter of common experience that during pendency of reference proceedings management has passed harsh order against the workmen as a result of which workmen are virtually facing starvation. Provisions of Section 33-A are meant to provide immediate succor to the aggrieved workman.

11. At this stage, it is appropriate to refer to the statement of the various witnesses Ex.WW1 to Ex.WW5, i.e. Shri Mujahid Quasim, Shri Babu Lal, Shri Baldev Mandal, Shri Surender Kumar Prajapati and Ms.Swati. A bare perusal of statements of the various witnesses would show that they have tried to support the averments made in the statement of claim. An overall examination of the statement of these witness would show that stand of the management is that the claimant was engaged as driver in his personal capacity by the executive of the bank. It has also come in evidence that the claimants were working from 10 a.m. to 6 p.m.

12. Claimant has also examined Ms.Swati, General Manager as WW5 and she has clearly deposed that Shri Mohan Singh, the claimant herein, has worked with her as personal driver for about two years. She used to take work from him from 10 a.m. to 6 p.m. She has also admitted that Shri Babu Lal, Shri Baldev Mandal and Shri Surender Kumar Prajapati, personal drivers have been appointed as sub-staff in the bank on 21.01.2012, 27.01.2012 and 27.01.2012 respectively. She is not aware of the policy under which personal drivers of the executives can be recruited as sub-staff in the bank.

13. This witness was pointedly asked a question whether salary was being paid to the claimant from accounts of the bank and after going through the record, she has deposed that the bank has issued vouchers Ex.WW5/1 to Ex.WW5/18. This also clearly shows that payment of wages to the personal drivers was being made from the kitty of the bank from the head 'miscellaneous charges'. A bare perusal of Ex.WW5/1 onwards would show that payments were made by the bank from time to time to the claimants in the form of conveyance allowance etc. Statement of Ms. Ankita is not of much help so far as question of engagement of drivers is concerned. He has also admitted that relevant documents, such as driving licence, school leaving certificate, ID Cards etc were being sent by the bank for approval before engaging personal drivers. It has also come in evidence of these witnesses that there was no complaint regarding behavior of the claimant. He has further deposed that the claimant left services of his own. This witness is also not clear about the fact whether there was any policy dealing with absorption of such drivers and whether bank has sanctioned post of driver or not.

14. Shri Verma, witness of the management had tried to support the stand of the management regarding engagement of the claimant as personal driver. However, she has made a vague and general statement. She is not aware whether the bank has regularized service of some of the personal drivers as sub-staff. She has further stated that there is sanctioned post of personal driver. She has further made a vital admission that the management did not have any documents to show that the concerned executive had paid directly to the claimant, which shows that payment was made from the kitty of the bank.

15. It is clear from the resume of evidence on record that the claimant was initially engaged as personal driver by the bank at Greater Kailash I branch and he was doing other additional work as assigned to him by the Shri Verma as well as other officials of the bank.

16. During the course of arguments, learned A/R for the management has not denied that services of the claimant herein was not required, as such, he was not allowed to perform his duties from 01.08.2011. Admittedly, at that time, reference was pending under Section 10 of the Act before this Tribunal, terms of which is as under:

“Whether the demand of the Delhi General Workers’ Union, D-195, Karampura, Shivaji Marg, New Delhi-15, against the Chairman-cum-Managing Director, Corporation Bank, H.O.Mangla Devi Temple Road, F.B. No.88, Manglore-575001 (Karnataka)/ General Manager, Corporation Bank, Z.O. 16/10, Main Arya Samaj Road, Karol Bagh, New Delhi-15 for regularization of personal car drivers in the list enclosed at Annexure 1 is just valid and legal? If so, to what benefits the workmen are entitled to and what directions are necessary in the matter?”

17. It is also clear from the pleadings of the parties as well as submissions made at the bar that no permission/approval of this Tribunal was obtained before terminating or discharging the claimant from service by the management. This Tribunal, while answering ID No.1/2014 has specifically held that there is relationship of employer and employee between the management and claimant herein who also falls within the definition of workman. The findings recorded in ID No.1/2014 shall also form integral part of this award and a copy of award in ID No.1/2014 be also placed in this file.

18. In view of the above discussion and findings recorded in ID No.1/2014 it is held that provision of Section 33 of the Act are applicable to the present case as claimant was a workman, employed by the bank at Greater Kailash-I branch. As a necessary corollary, it is further held that act of termination of service of the claimant by Shri Verma on 01.08.2011 is arbitrary and illegal which is in violation of Section 33 of the Act. Hence, issue No.(i), (ii), (iii) and (iv) are decided in favour of the claimant and against the management. Resultantly, claimant is held liable to be reinstated in service. An award is accordingly passed. Let this award be sent to the appropriate Government, as required under Section 17 of the Industrial Disputes Act, 1947, for publication.

AWARD

This is a complaint filed under Section 33-A of the Industrial Disputes Act, 1947 (in short the Act) filed by Shri Manoj Chhetri (in short the claimant) with the averments that the claimant was employed by the management as car driver with effect from 14.06.1999 at Lodhi Road branch and his last drawn salary was Rs.9500.00 per month. All other drivers have already raised industrial dispute bearing No.1 of 2004 for getting permanent absorption in the present post, which is pending for disposal before Central Government Industrial Tribunal-cum-Labour Court No.2, New Delhi. Management had admitted in the written statement that the drivers, including the claimant herein, have performed incidental duties in addition to the duties of drivers who are employed with the banker's case. After making reference to this Tribunal, management has started harassing and victimizing the drivers, including the complainant herein by adopting unfair means.

2. It is the case of the claimant that on 03.06.2013, the complainant reported for duties when Shri S.C. Wadhwa, the officer of the bank, asked him to surrender the keys of the car. After receiving the keys of the car to the official of the bank, the complainant was told that his services are no longer required and his services have been terminated without any notice. The claimant is out of job after his termination on 03.06.2013. Demand notice was also sent on 11.08.2014 through registered post which was duly received by the management who failed to respond to the same.

3. Reply to the above complaint was filed on behalf of the management wherein preliminary objections have been taken, inter alia of maintainability etc. It has been alleged that there is no cadre of driver/peon-cum-driver and complainant was engaged by the executives of the bank in their personal capacity. Executives claim reimbursement from the bank in respect of the amount paid to the claimant. Bank has no control over engagement of the car drivers and there is no relationship of employer and employee between the claimant and executives of the bank. The car drivers are entrusted outside duties by the Executives and by no stretch of imagination they can be said to be in the employment of the bank. Nevertheless, Executives of the bank are free to engage services of drivers for pooling other needs for which drivers can claim reimbursement. On merits, it is alleged that there is no contravention of provisions of Section 33 of the Act.

4. Against this factual background, this Tribunal on the basis of pleadings of the parties, framed the following issues:

- (i) Whether the complainant cum statement of claim on behalf of the workman under Section 33-A read with Section 31 of the Industrial Disputes Act, 1947? If so, its effects?
- (ii) Whether employer and employee relationship exists between the management and claimant/workman? If so, its effects?
- (iii) Whether the drivers engaged by the executive concerned in his personal capacity are not the workman within the meaning of 'workman' as defined in Section 2(s) of the ID Act, 1947 ? If so, its effects
- (iv) To what relief the workman/claimant is entitled and from what date?

5. Both parties adduced evidence in support of the stand taken in their respective pleadings and the complainant examined himself as WW1, whose affidavits id Ex.WW1/A and he relied on documents Ex.WW1/1 to Ex.WW1/10. Management, in order to rebut the case of the claimant, examined Ms. Jalaj as MW1, whose affidavit is Ex.WW1/A and tendered in evidence document Ex.MW1/1.

6. I have heard Shri S.B. Shailey, A/R for the claimant and Shri Rajat Arora as A/R for the management.

Findings on Issue Nos. (i), (ii), (iii) and (iv)

7. All these issues are being taken up together for the purpose of discussion as they are inter-related and can be conveniently disposed of. It was strongly urged there was no relationship of employer and employee between the complainant and the management and complainant was engaged as car driver by the management and the bank had no supervisory or administrative control over such drivers, whose services were at the mercy of the executives of the bank who has engaged him. It was urged that there was no violation of provisions of Section 33 of the Act inasmuch as the so called termination of services of the claimant was at the instance of the bank. As such, provisions of Section 33 of the Act are not applicable to the present case nor there is any question of violation of provisions of Section 33 of the Act as the claimant was a personal car driver of the executives of the branch.

8. Per contra, Shri S.B. Shailey, authorized representative, appearing on behalf of the claimant strongly urged that services of the complainant was admittedly terminated on 03.06.2013 by the executive of the bank without any show-cause notice and in violation of provisions of Section 25-F of the Act. As such, act of the management is clearly in violation of provisions of Section 33 of the Act. It was also urged that in view of the provisions of Section 33 of the Act, management cannot alter, to the prejudice of the workman, conditions of services applicable to them nor can they discharge or terminate the services of the workman without permission of the Tribunal. During the course of arguments, it was not disputed on behalf of the either of the parties that reference of the drivers under Section 10 of the Act have been received by this Tribunal for adjudication wherein a dispute regarding regularization of service of the drivers is pending.

9. Secondly, learned A/R for the claimant also urged that there is ample evidence on record to suggest that the claimant was doing service with the management of the bank and was not in personal employment of the executive of the bank. In this regard, attention of the court was invited to the oral as well as documentary evidence on record.

10. Before I proceed to consider the comparative merits of the arguments raised on behalf of the respective parties, it is necessary to mention here that Section 33-A of the Act is designed with the specific purpose to serve and it is a special provision which gives direct access to the Tribunal as well as deals with dispensing speedy relief to the aggrieved workman. There is no need to seek permission of any authority or undergoing any process of conciliation or reference under provisions of Section 10 of the Act and aggrieved worker has a right to directly file complaint before the Tribunal wherein workman can allege violation of provisions of Section 33 of the Act. In case a workman succeeds in establishing that the management has violated provisions of the Act by altering condition of service or terminating the services of the workman during pendency of the proceedings without permission or approval etc, in that eventuality, powers is vested with this Tribunal to pass appropriate orders. Thus, Section 33-A of the Act enjoins upon the Industrial Adjudicator to decide first as to whether the employer contravened provisions of Section 33 of the Act. It is a matter of common experience that during pendency of reference proceedings management has passed harsh order against the workmen as a result of which workmen are virtually facing starvation. Provisions of Section 33-A are meant to provide immediate succor to the aggrieved workman.

11. At this stage, it is appropriate to refer to the statement of claimant, WW1. A bare perusal of statement of the witness would show that he has tried to support the averments made in the statement of claim. An overall examination of the statement of this witness would show that stand of the management is that the claimant was engaged as driver by the bank. It has also come in evidence that the claimant was working from 10 a.m. to 6 p.m.

12. The bank has issued voucher Ex.WW1/1. This also clearly shows that payment of wages to the personal drivers was being made from the kitty of the bank from the head 'miscellaneous charges'. Statement of Ms. Jalaj is not of much help so far as question of engagement of drivers is concerned. She has also admitted that relevant documents, such as driving licence, school leaving certificate, ID Cards etc were being sent by the bank for approval before engaging personal drivers. She is not aware whether the bank has prepared seniority list. Further, she has made a vital admission that Shri Sanjeev Kumar, Shri Babu Lal, Shri Baldev Mandal and Shri Sujendra Kuamr Prajapati have been absorbed by the bank and they were never sponsored by the employment exchange. The witness has further deposed that the bank used to pay conveyance to the claimant and since the executive could not pay directly, as such, conveyance used to be paid by the branch. Further amount of wages used to be decided by Head Office of the bank. This witness has that there was a policy dealing with absorption of such drivers. However, the bank does not have sanctioned post of driver.

13. Ms. Jalaj, witness of the management had tried to support the stand of the management regarding engagement of the claimant as personal driver. However, she has made a vague and general statements. She has made a vital admission that bank has regularized service of some of the personal drivers as sub-staff. She has further stated that there is sanctioned post of personal driver. She has further made a vital admission that the management did not have any

documents to show that the concerned executive had paid directly to the claimant, which shows that payment was made from the kitty of the bank.

14. It is clear from the resume of evidence on record that the claimant was initially engaged as personal driver by the bank at Lodhi Road branch and he was doing other additional work as assigned to him by the Shri Verma as well as other officials of the bank.

15. During the course of arguments, learned A/R for the management has not denied that services of the claimant herein was not required, as such, he was not allowed to perform his duties from 03.06.2013. Admittedly, at that time, reference was pending under Section 10 of the Act before this Tribunal, terms of which is as under:

“Whether the demand of the Delhi General Workers’ Union, D-195, Karampura, Shivaji Marg, New Delhi-15, against the Chairman-cum-Managing Director, Corporation Bank, H.O.Mangla Devi Temple Road, F.B. If so, to what benefits the workmen are entitled to and what directions are necessary in the matter?”

16. It is also clear from the pleadings of the parties as well as submissions made at the bar that no permission/approval of this Tribunal was obtained before terminating or discharging the claimant from service by the management. This Tribunal, while answering ID No.1/2014 has specifically held that there is relationship of employer and employee between the management and claimant herein who also falls within the definition of workman. The findings recorded in ID No.1/2014 shall also form integral part of this award and a copy of award in ID No.1/2014 be also placed in this file.

17. In view of the above discussion and findings recorded in ID No.1/2014 it is held that provision of Section 33 of the Act are applicable to the present case as claimant was a workman, employed by the bank at Lodhi Road branch. As a necessary corollary, it is further held that act of termination of service of the claimant by the bank on 03.06.2013 is arbitrary and illegal which is in violation of Section 33 of the Act. Hence, issue No.(i), (ii), (iii) and (iv) are decided in favour of the claimant and against the management. Resultantly, claimant is held liable to be reinstated in service. An award is accordingly passed. Let this award be sent to the appropriate Government, as required under Section 17 of the Industrial Disputes Act, 1947, for publication.

AWARD

This is a complaint filed under Section 33-A of the Industrial Disputes Act, 1947 (in short the Act) filed by Shri Rakesh Kumar Vaid (in short the claimant) with the averments that the claimant was employed by the management as car driver with effect from 01.03.2003 at its Zonal Office:Delhi at Rajendra Place and his last drawn salary was Rs.8500.00 per month. All other drivers have already raised industrial dispute bearing No.22 of 2007 for getting permanent absorption in the present post, which is pending for disposal before Central Government Industrial Tribunal-cum-Labour Court No.2, New Delhi. Management had admitted in the written statement that the drivers, including the claimant herein, have performed incidental duties in addition to the duties of drivers who are employed with the bank. After making reference to this Tribunal, management has started harassing and victimizing the drivers, including the complainant herein by adopting unfair means.

2. It is the case of the claimant that on 25.11.2011, the complainant reported for duties when Shri Shiv Ram Bhatt, the official of the bank, asked him to surrender the keys of the car. After receiving the keys of the car by Shri Bhat, the complainant was told that his services are no longer required and his services have been terminated without any notice. The claimant is out of job after his termination on 25.11.2011. Demand notice was also sent on 24.09.2012 through registered post which was duly received by the management who failed to respond to the same.

3. Reply to the above complaint was filed on behalf of the management wherein preliminary objections have been taken, inter alia of maintainability etc. It has been alleged that there is no cadre of driver/peon-cum-driver and complainant was engaged by the executives of the bank in their personal capacity. Executives claim reimbursement from the bank in respect of the amount paid to the claimant. Bank has no control over engagement of the car drivers and there is no relationship of employer and employee between the claimant and executives of the bank. The car drivers are entrusted outside duties by the Executives and by no stretch of imagination they can be said to be in the employment of the bank. Nevertheless, Executives of the bank are free to engage services of drivers for pooling other needs for which drivers can claim reimbursement. On merits, it is alleged that there is no contravention of provisions of Section 33 of the Act.

4. Against this factual background, this Tribunal on the basis of pleadings of the parties, framed the following issues:

- (i) Whether Corporation Bank is an employer concerned in the industrial dispute referred for adjudication vide order No.L-12011/142/2006-IR(B-II), New Delhi dated 01.05.2007 which pends adjudication before this Tribunal?
- (ii) Whether services of the claimant were dispensed with on 25.11.2011 in violation of the provisions of Section 33 of the Industrial Disputes Act, 1947?
- (iii) To what relief the claimant is entitled?

5. Both parties adduced evidence in support of the stand taken in their respective pleadings and the complainant examined himself WW1 on oath. To rebut the case of the claimant, management examined Ms. Astha Uttam as MW1, whose affidavit is Ex.MW1/A.

6. I have heard Shri S.B. Shailey, A/R for the claimant and Shri Rajat Arora as A/R for the management.

Findings on Issue No.(i), (ii) and (iii)

7. All these issues are being taken up together for the purpose of discussion as they are inter-related and can be conveniently disposed of. It was strongly urged there was no relationship of employer and employee between the complainant and the management and complainant was engaged as car driver by the executive concerned and the bank has no supervisory or administrative control over such drivers, whose services were at the mercy of the executives of the bank who has engaged him. It was urged that there was no violation of provisions of Section 33 of the Act inasmuch as the so called termination of services of the claimant was at the instance of the Manager in his individual capacity. As such, provisions of Section 33 of the Act are not applicable to the present case nor there is any question of violation of provisions of Section 33 of the Act as the claimant was a personal car driver of the executive of the bank.

8. Per contra, Shri S.B. Shailey, authorized representative, appearing on behalf of the claimant strongly urged that services of the complainant was admittedly terminated on 25.11.2011 by the executive of the bank without any show cause notice and in violation of provisions of Section 25-F of the Act. As such, act of the management is clearly in violation of provisions of Section 33 of the Act. It was also urged that in view of the provisions of Section 33 of the Act, management cannot alter, to the prejudice of the workman, conditions of services applicable to them nor can they discharge or terminate the services of the workman without permission of the Tribunal. During the course of arguments, it was not disputed on behalf of the either of the parties that reference of the drivers under Section 10 of the Act have been received by this Tribunal for adjudication wherein a dispute regarding regularization of service of the drivers is pending.

9. Secondly, learned A/R for the claimant also urged that there is ample evidence on record to suggest that the claimant was doing service with the management of the bank and was not in personal employment of the executive of the bank. In this regard, attention of the court was invited to the oral as well as documentary evidence on record.

10. Before I proceed to consider the comparative merits of the arguments raised on behalf of the respective parties, it is necessary to mention here that Section 33-A of the Act is designed with the specific purpose to serve and it is a special provision which gives direct access to the Tribunal as well as deals with dispensing speedy relief to the aggrieved workman. There is no need to seek permission of any authority or undergoing any process of conciliation or reference under provisions of Section 10 of the Act and aggrieved worker has a right to directly file complaint before the Tribunal wherein workman can allege violation of provisions of Section 33 of the Act. In case a workman succeeds in establishing that the management has violated provisions of the Act by altering condition of service or terminating the services of the workman during pendency of the proceedings without permission or approval etc, in that eventuality, powers is vested with this Tribunal to pass appropriate orders. Thus, Section 33-A of the Act enjoins upon the Industrial Adjudicator to decide first as to whether the employer contravened provisions of Section 33 of the Act. Secondly, the Industrial Adjudicator is also required to answer the other question as to whether dismissal or punishment awarded to the claimant is justified under the law. It is a matter of common experience that during pendency of reference proceedings management has passed harsh order against the workmen as a result of which workmen are virtually facing starvation. Provisions of Section 33-A are meant to provide immediate succor to the aggrieved workman.

11. At this stage, it is appropriate to refer to the statement of the claimant. A bare perusal of statements of this witness would show that he has tried to support the averments made in the statement of claim. An overall examination of the statement of this witness would show that stand of the management is that the claimant was engaged as driver in his personal capacity by the executive of the bank. It has also come in evidence that the claimant was working from 10 a.m. to 6 p.m.

12. At this stage, it is appropriate to refer to the statement of claimant, WW1. A bare perusal of statement of the witness would show that he has tried to support the averments made in the statement of claim. An overall examination of the statement of this witness would show that stand of the management is that the claimant was engaged as driver by the bank. It has also come in evidence that the claimant was working from 10 a.m. to 6 p.m.

13. Statement of Ms. Astha Uttam is not of much help so far as question of engagement of drivers is concerned. She has also admitted that relevant documents, such as driving licence, school leaving certificate, ID Cards etc were being sent by the bank for approval before engaging personal drivers. She is not aware whether the bank has prepared seniority list. Further, she has made a vital admission that Shri Sanjeev Kumar, Shri Babu Lal, Shri Baldev Mandal and Shri Surendra Kumar Prajapati have been absorbed by the bank and they were never sponsored by the employment exchange. The witness has further deposed that the bank used to pay conveyance to the claimant and since the executive could not pay directly, as such, conveyance used to be paid by the branch. Further amount of wages used to be decided by Head Office of the bank. This witness has that there was a policy dealing with absorption of such drivers. However, the bank does not have sanctioned post of driver.

14. Ms. Astha Uttam, witness of the management had tried to support the stand of the management regarding engagement of the claimant as personal driver. However, she has made vague and general statements. She has made a vital admission that bank has regularized service of some of the personal drivers as sub-staff. She has further stated

that there is sanctioned post of personal driver. She has further made a vital admission that the management did not have any documents to show that the concerned executive had paid directly to the claimant, which shows that payment was made from the kitty of the bank.

15. It is clear from the resume of evidence on record that the claimant was initially engaged as personal driver by the bank at Zonal Office at Rajendra Place and he was doing other additional work as assigned to him by the officials of the bank.

16. During the course of arguments, learned A/R for the management has not denied that services of the claimant herein was not required, as such, he was not allowed to perform his duties from 01.08.2011. Admittedly, at that time, reference was pending under Section 10 of the Act before this Tribunal, terms of which is as under:

“Whether the demand of the Delhi General Workers’ Union, D-195, Karampura, Shivaji Marg, New Delhi-15, against the Chairman-cum-Managing Director, Corporation Bank, H.O.Mangla Devi Temple Road, F.B. No.88, Manglore-575001 (Karnataka)/ General Manager, Corporation Bank, Z.O. 16/10, Main Arya Samaj Road, Karol Bagh, New Delhi-15 for regularization of personal car drivers in the list enclosed at Annexure 1 is just valid and legal? If so, to what benefits the workmen are entitled to and what directions are necessary in the matter?”

17. It is also clear from the pleadings of the parties as well as submissions made at the bar that no permission/approval of this Tribunal was obtained before terminating or discharging the claimant from service by the management. This Tribunal, while answering ID No.1/2014 has specifically held that there is relationship of employer and employee between the management and claimant herein who also falls within the definition of workman. The findings recorded in ID No.1/2014 shall also form integral part of this award and a copy of award in ID No.1/2014 be also placed in this file.

18. In view of the above discussion and findings recorded in ID No.1/2014 it is held that provision of Section 33 of the Act are applicable to the present case as claimant was a workman, employed by the bank at its Zonal Office at Rajendra Place. As a necessary corollary, it is further held that act of termination of service of the claimant by the executive of the bank on 25.11.2011 is arbitrary and illegal which is in violation of Section 33 of the Act. Hence, issue No.(i), (ii) and (iii) are decided in favour of the claimant and against the management. Resultantly, claimant is held liable to be reinstated in service. An award is accordingly passed. Let this award be sent to the appropriate Government, as required under Section 17 of the Industrial Disputes Act, 1947, for publication.

AWARD

1. Consequent upon receiving of reference from Government of India, Ministry of labour, vide letter No. L-12011/142/2006 – IR(B-II) dated 23.12.2013 under clause (d) of sub-section (1) and sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947, (in short, the Act) this Tribunal is required to adjudicate an industrial dispute, terms of which are as under :

“Whether the demand of the Delhi General Workers’ Union, D-195, Karampura, Shivaji Marg, New Delhi-15, against the Chairman-cum-Managing Director, Corporation Bank, H.O.Mangla Devi Temple Road, F.B. No.88, Mangalore-575001 (Karnataka)/ General Manager, Corporation Bank, Z.O. 16/10, Main Arya Samaj Road, Karol Bagh, New Delhi-15 for regularization of personal car drivers in the list enclosed at Annexure 1 is just valid and legal? If so, to what benefits the workmen are entitled to and what directions are necessary in the matter?”

2. It is clear from the statement of claim that claimants herein whose names are mentioned in Annexure 1 attached with the statement of claim were working as drivers under the supervision and control of management No.1 for the last number of years in their respective branches in Delhi. It is also alleged that their appointments were made purely on sanctioned posts and the management No.1 used to obtain permission from management No.2 at the time of initial appointments. The appointments of the claimants were made after approval from the Head Office. It is further alleged by the claimants that apart from performing the duty as drivers, the claimants were performing different kind of duty under the supervision and control of management No.1 such as taking of documents from one branch to another, carrying cheque books and cash delivery of gadgets such as computers and their accessories etc. from one branch to another. The management was also bearing the petrol and car cleaning expenses and the claimants were issued identity cards for discharging the outdoor duty on behalf of the bank.

3. It is the case of the claimants that as soon as they raised a demand for regularization of the present posts, management No.1 got irked upon them and started manipulating the service record in such a manner so as to deny the benefits to the claimants herein. The management, with a clear motive to deny benefits to the claimants, showed in the records the claimants to be the personal drivers of the officers of management No.1 whereas drivers used to work under the direct control of the management and used to work under the direct control of the management and used to receive monthly wages from management No.1. They were also reporting for duty in the morning to the management No.1 and performing their duties in their respective branches. The executives of the bank used to be transferred from one branch to another however, the duties of the drivers remained on the same position.

4. Claimants have also alleged that earlier they used to get their salary from the bank itself but the management changed the procedure of payment of wages of the claimants immediately after the proceedings were initiated against the management. Management No.2 directed the branch officials not to release the wages to the workmen directly and instead of through the concerned officers with a view to show that wages are being reimbursed on behalf of the officer with which the driver has been working. The claimants have been working to the entire satisfaction of their superiors and at no point of time there was any adverse report made against the claimants. Claimants have also completed more than 240 days in each calendar year. The management had also policy of regularization and as per the said policy, one claimant Shri Sanjiv Kumar son of Shri Roshan Lal was regularized with effect from 09.06.2007, as driver but the same benefit was not given to naming claimants resultantly, the claimants raised demand for their regularization by serving notice upon them but the management opted not to hold discussion regarding conciliation proceedings. Now, the claimants have approached this Tribunal regarding regularization of their services as drivers.

5. The claim was contested by the management who took preliminary objections by alleging that claimants are personal car drivers engaged by the executives concerned of the bank in their personal capacity and are not workman within the definition of the Act. There is no cadre of 'drivers/personal car drivers' with the management and the eligible officers engaged personal drivers subject to reimbursement under the head 'allowances'. There is also no sanctioned post of personal car drivers. Management is a public sector undertaking and appointments are based on rules and regulations. Accordingly, no recruitment or selection is allowed dehors the rules and regulations of the bank. The bank has no control over the engagement of car drivers and there is no relationship of master and servant between the personal car drivers engaged by the executives of the bank and management of the bank.

6. On merits, the management has denied most of the averments made in the statement of claim. It is also denied that appointment of the drivers were made after seeking approval from the head office i.e. management No.2. However, in para 5 of written statement, it is admitted that personal car drivers were entrusted with outside work by the executives such as taking clearance from one branch to another, collection of cheque books from one branch to another, carrying cash from one branch to another including taking delivery of gadgets such as computers and their accessories etc. It is also admitted that petrol and car cleaning expenses are borne by the management since it fell within the financial responsibility of the bank but the salary of the said drivers is not paid by the management and the same is paid by the executive who has engaged personal car driver.

7. Claimants filed rejoinder to the written statement filed by the management and reasserted the stand taken in the statement of claim and denied the material averments contained in written statement filed by the management.

8. Vide order No. Z-22019/6/2007-IR(C-II) dated 30.3.2010 the appropriate Government transferred this case to this Tribunal for adjudication.

9. It is further clear that my Id. predecessor has not framed any specific issue as such, this Tribunal is not required to answer the reference made to it by the appropriate government.

10. The claimants in order to prove the cause against the management examined Shri S.B. Shaily, General Secretary of Delhi Workers Union as WW1 and also tendered in evidence documents Ex.WW1/1 to WW1/17. Claimant also examined Mohan Singh, claimant as WW2, whose affidavit is E.WW2/A, who has also tendered in evidence documents Ex.WW2/1 to WW2/136. The management in order to rebut the case of claimants examined Shri Anjani Kumar, Manager, Corporation Bank, as MW1 whose affidavit is Ex.MW1/A. He has also tendered document Ex.MW1/1 and also at the time of evidence tendered certified documents. I would be referring to the same during the course of my discussion while appreciating the evidence on record.

11. I have heard Shri S.B.Shaily, Ld. A/R for the workmen and Ms.Rama Arora, Ld. A/R for the management. I have also gone through the written submissions filed on behalf of the respective parties.

12. The main question before this Tribunal is as to whether there is relationship of employer and employee between the management & claimants as the claimants were engaged as personal drivers by the executives of the bank. It is clear from the pleadings of the parties that management in the written statement has specifically raised the objection that there is no cadre of 'driver/personal driver' in the respondent bank and there is no relationship of master and servant between the claimant and the bank. In fact, there are no sanctioned posts of car drivers with the management as such there is no question of regularization of the services of the claimants herein. In all fairness, it was admitted on behalf of the management that car drivers were entrusted with outside work such as taking of documents from one bank to another, collection of cheque books and cash, delivery of gadgets and other items by the drivers as per the orders of the executives of the bank. This fact has been duly admitted in para 5 of the written statement of the management. However, the Ld. A/R for the management strongly urged that onus is upon the claimants herein to prove that they were duly engaged as drivers and were in the employment of the management as drivers and were not personal car drivers. There is hardly any dispute with the proposition of law that initially onus lies on the employees i.e. the claimants to prove that they are workmen within the meaning of Section 2(s) of the Act and were duly engaged by the management of the bank.

13. Now, the moot point before this Tribunal is whether the claimant herein can be termed as 'workman' so as to create relationship of employer and employee between the management and the claimant. In order to appreciate submissions raised at the bar by the respective parties in respect of the status of the claimant as 'workman' for the purpose of the Act, it is necessary to reproduce the definition of workman as given in Section 2 (s) of the Act and the same is as under :

"workman" means any person (including an apprentice employed in any industry to do any manual, unskilled, skilled, technical, operational, clerical or supervisory work for hire or reward, whether the terms of employment be express or implied, and for the purposes of any proceeding under this Act in relation to an industrial dispute, includes any such person who has been dismissed, discharged or retrenched in connection

with, or as a consequence of, that dispute, or whose dismissal, discharge or retrenchment has led to that dispute, but does not include any such person-

- (i) who is subject to the Air Force Act, 1950 (45 of 1950), or the Army Act, 1950 (46 of 1950), or the Navy Act, 1957 (62 of 1957); or
- (ii) who is employed in the police service or as an officer or other employee of a prison; or
- (iii) who is employed mainly in a managerial or administrative capacity; or
- (iv) who, being employed in a supervisory capacity, draws wages exceeding one thousand six hundred rupees per mensem or exercises, either by the nature of the duties attached to the office or by reason of the powers vested in him, function mainly of a managerial nature.

14. Bare perusal of the above definition would show that in industrial law there is no distinction between permanent or temporary employee as long as a person is in the employment and is doing any category of work, i.e. manual, unskilled etc. for the employer, he is to be treated as a workman under the industrial disputes Act and still get benefit of the same. Contention of the management that no letter of appointment was issued to the claimant regarding his engagement with the bank as driver though appears to be quite attractive, yet in view of settled legal position as well as evidence on record it is clear that the claimant was driving the car belonging to the management and it clearly suggests that the claimant was engaged to drive the above official car, i.e. Maruti 800 bearing registration No. DL 7C 7189, belonging to the management bank and not personal car of the driver.

15. Hon'ble Apex Court also in the case of Management of Sonepat Co-operative Sugar Mills Ltd. vs. Ajit Singh (AIR 2005 (105) FLR I) has laid down the criteria to ascertain whether a person is a workman or not and observed that a person would come within the purview of the definition of the workman if he is employed in any industry and performs any manual, unskilled, skilled, technical, operational, clerical or supervisory work. It is also trite that designation given by the employer to a workman is not a decisive factor and what is important is the nature of duties being performed by such workmen so as to decide the question whether he or she is a workman under the industrial law or not.

16. It has been held by the Hon'ble Apex Court in the case of Devender Singh Vs. MC Sanaur AIR (2001) SC 2532, wherein, while interpreting provisions of Section 2(s) of the Act, which deals with definition of workman, as under:

“The source of employment, the method of recruitment, the terms and conditions of employment/contract of service, the quantum of wages/pay and the mode of payment are not at all relevant for deciding whether or not a person is a workman within the meaning of [Section 2\(s\)](#) of the Act.

The definition of workman also does not make any distinction between full time and part time employee or a person appointed on contract basis. There is nothing in the plain language of [Section 2\(s\)](#) from which it can be inferred that only a person employed on regular basis or a person employed for doing whole time job is a workman and the one employed on temporary, part time or contract basis on fixed wages or as a casual employee or for doing duty for fixed hours is not a workman.

15. Whenever an employer challenges the maintainability of industrial dispute on the ground that the employee is not a workman within the meaning of [Section 2\(s\)](#) of the Act, what the Labour Court/Industrial Tribunal is required to consider is whether the person is employed in an industry for hire or reward for doing manual, unskilled, skilled, operational, technical or clerical work in an industry. Once the test of employment for hire or reward for doing the specified type of work is satisfied, the employee would fall within the definition of 'workman'.

17. It is also clear from the definition of the 'Workman' given above that in order to claim the status of the workman, it is also to be proved that such workman was working in an industry. During the course of arguments, it was not disputed on behalf of either party that now it is fairly settled that in a dispute like present one wherein a person is claiming the status of a workman, such a dispute is amenable to the jurisdiction of this court. Further, the definition of the workman also shows that the person concerned would not cease to be a workman if he performs some other supervisory duty or any incidental duty in addition to his primary duty. What is important is the primary, basic or dominant nature of duty for which a person has been engaged by the employer and mere performance of some extra duty would hardly be relevant to determine his status.

18. Admittedly, in the case on hand, the claimants herein have been engaged as drivers and only dispute before this Court being raised by management is whether they are personal drivers of the executives of the bank or were drivers of the management. It is necessary to mention here that the cars which said drivers were driving were not the personal cars of the executives of the bank and said cars in fact belonged to the bank and payment of salary/wages were also being paid by the said executives from the kitty of the bank under the head "Allowance/General/miscellaneous' charges'. It is clear from the statement of Mohan Singh WW2 that he was one of the drivers engaged by the management of the bank

and Ex.WW2/1 bears stamp of the bank. He has also tendered in evidence bio-data of other drivers namely, Mr.Rahul Ex.WW2/2, Mr.Bachan Singh Ex.WW2/3, Mr.Gangadhar Kushwara Ex.WW2/4, Mr. Ashok Kumar Ex.WW2/5, Mr.Rakesh Kumar Vaid Ex.WW2/6, Rajesh Kumar Ex WW2/7, Mr. Baldev Mandal Ex.WW2/8 and that of Mr. H.B. Adhikari Ex.WW2/9, Mr.Rajesh Kumar Ex.WW1/10 and Mr.Narayan Ram Ex.WW2/11.

19. There is a letter Ex.WW2/1 by AGM to Chief Manager of Lodhi Complex Branch, which shows that management of the bank has desired the data of personal car drivers alongwith driving licence and other relevant documents. Letter Ex.WW2/13 shows that drivers of the bank were provided with Maruti cars on 24.09.1999 and this letter further shows that bank has engaged drivers on salary of Rs.3,500/- per month. The Chief Manager has also mentioned in this letter that necessary documents are being enclosed herewith to ratify the action of the bank. In this letter, there is no mention of personal car drivers rather the head-note of letter is “Subject :- Engagement of driver for bank car.” Letter Ex.WW2/14 also shows that one Sanjeev Kumar was engaged for personal car driver by Sh. Ramamurthy when he was Assistant General Manager. Similarly letter Ex.WW2/15, Ex.WW2/16, Ex.WW2/17, Ex.WW2/18, Ex.WW2/19 show that there is correspondence between the AGM and Chief Manager of the bank regarding the engagement of the driver. The Chief Manager has also written for verification of the said drivers.

20. Letter Ex.WW2/20 by Chief Manager shows that application of Raj Kumar for appointment of driver for Kamla Nagar Branch was forwarded and approval had been sought for his appointment as a driver. Letter Ex.WW2/22 shows that Deputy General Manager asked for three passport size photographs of the personal car driver engaged by Chief Manager. There are some other letters Ex.WW2/23, Ex.WW2/24, Ex.WW2/25, Ex.WW2/26, Ex.WW2/27 etc. wherein there is mention of enhanced salary to the said drivers as well as ratification of appointment of said drivers. The claimants have also filed the vouchers Ex.WW2/28 to Ex.WW2/104 which show that various expenses which were being incurred including petrol and maintenance, the amount was being released by the executives of the bank from time to time to the said drivers.

21. There is one letter Ex.WW2/105 which shows that claimant Sanjeev Kumar had been selected as probationary peon for zonal branch. It is also mentioned that there is no post of personal driver with the management and posts have recently being sanctioned.

22. It is appropriate to refer to the statement of MW-1 Anjani Kumar, who has filed the minutes on similar lines as stand taken in written statement. However, cross examination of this witness is very vital so as to clear the grey areas. The witness has stated in cross examination that the log book of a vehicle can establish with which vehicle the claimants were engaged on a particular day, particular month and particular year and post of peon cum driver has been recently sanctioned in the bank as per circular Ex.MW1/W1. Here has further admitted in his cross-examination that Sh. Babulal, Sh.Baldev Mandal and Surender Kumar Prajapati have been absorbed in the service by the bank during the pendency of dispute. This has been done in consonance with the directions of Board of Directors given in minutes No. 45 dated 27.03.2006. This clearly shows that Board of Directors from time to time is considering the claim of the claimants for regularization of their service against the posts of peon-cum-driver.

23. It is further clear from the manual Service Conditions of the Workmen Staff in Corporation Bank relied upon by both the parties that there is mention of the post of drivers against column No. 8 under the heading “subordinate staff” and amount of special pay of Rs.1,320/- is mentioned which is payable to such drivers. This manual also deals with the overtime payment, working hours as well as weekly off, staggering, split duty etc. Drivers are also required to wear the dress for which payment is made by the bank.

24. Shri Rajat Arora, A/R for the management laid much emphasis on the document Ex.MW1/W1 dated 14.09.2011 which contains policy guidelines for absorption of personal car drivers as regular sub-staff, peon/driver. It was also not denied that services of Shri Babu Lal at Serial No.1, Shri Surender Lal at Serial No.5 and Shri Shri Baldev Kumar at Serial No.14 have already been regularized as per policy guidelines Ex.MW1/W2 issued by the management. Not only this, services of Shri Sanjiv Kumar, driver, was also regularized when conciliation proceedings failed before the Conciliation Officer, i.e. before making of reference to this Tribunal and now only dispute with regard to 10 claimants remains to be considered for regularization etc.

25. During the course of arguments, Ld. A/R for the workman pointed out that claimants herein cannot be termed to be personal drivers of the executives as was being projected by the management in as much as there is ample evidence on record to suggest that even with the transfer of executives of the bank, the drivers continued to serve the new incumbent and one driver has served more than three or four executives. This fact was not seriously denied. In para 9 of the Ex.WW2/A, there is mention of the details of the drivers who have worked with different officials.

26. It is clear from the detailed discussion herein above that claimants herein were serving different officials of the bank and they were also getting their wages from kitty of the bank. They were also doing other jobs which was being assigned to them from time to time by their executives. In such circumstances, how such drivers can be termed to be the personal drivers of the executives of the bank when they are doing job for the bank and also on the directions of the

officials of the bank for doing other work. In order to prove the relationship of employer and employee, all these factors are very relevant and the claimants herein were driving the car belonging to the bank and not belonging to individual executive. As such, they cannot be termed to be personal drivers of such executives.

27. 'Bank of Baroda Vs. Ghemarbhai Harjibhai Rabari, (2005)10 SCC 792' was relied upon on behalf of workmen wherein the Hon'ble Apex Court held that onus to prove that claimant was in employment of a management primarily lies on the person who claims to be a workman and a degree of proof so required, would however, vary from case to case. In the instant case, the workman has established prima facie that he was a workman with the management of the bank and the management has not adduced any cogent evidence to rebut the said evidence. In the said case, there was no letter of appointment though it was proved on record that workman worked for 240 days in a calendar year. In the case on hand also, the workman has admittedly worked for more than 240 days in a calendar year and no letter of appointment was issued to the claimant herein also. It is a matter of common knowledge that at the time of initial engagement, the management is not issuing a letter of appointment particularly when the driver has been engaged at the instance of the executives, whose car they were driving but it is also clear from the evidence on record that management had regularized the service of three four drivers as admitted by MW1 Anjani Kumar in his cross examination which nullifies the stand of management.

28. The contention of management that in view of ruling of Hon'ble Apex Court in *State of Karnataka Vs. Uma Devi*, AIR 2006 SC 1806, the engagement of claimant as driver cannot be said to be proper as no procedure for their appointments was followed. To my mind, there is no merit in their contention in as much as claimants are qualified drivers with proper licences as is evidence from the record and management has furnished necessary information regarding their competence to higher authority. Even 3 or 4 of them have been regularized. Therefore, their engagement cannot be termed to be illegal under the law. Moreover, issuance of letter of appointment is not sine qua non to establish relationship of employer and employee.

29. The Hon'ble Apex Court in the case of *State of Karnataka & Ors Vs. M.L.Kesari*, AIR 2010 SC 2587, has clarified the ratio of judgment in Umadevi's case. In fact, in Umadevi's case court was dealing with illegal appointments which have been made by not following due procedure prescribed under the law and a distinction was made by the court between the illegal appointments and irregular appointments. In case of irregular appointments, candidates fulfill the basic and necessary qualification though some irregularity has been committed in their appointments.

30. I have also gone through the ratio of *Harinandan Prasad vs Employer* (2014) 7 SCC 190 wherein Hon'ble Apex Court was primarily concerned with the question of grant of relief of back wages for reinstatement of the workmen whose services have been illegally terminated. A careful study of the above judgement would show that relief by way of reinstatement with back wages is not automatic and may be wholly inappropriate in a given fact situation. It would depend upon the facts of each case where order of regularization is to be passed **advance** the cause of justice and the Tribunal is required to keep in mind the nature of post, duration of engagement, delay in raising industrial dispute, time period which has lapsed from the date of termination etc. No doubt, there are observations in the above judgement that it would be difficult to give relief of reinstatement to workers who were engaged as daily wagers or whose services were terminated in the distant past. As discussed above, fact consideration discussion on hand is different. There is also policy of regularization of the workmen as is evident from the policy documents Ex.MW1/W1 dated 14.09.2011 and the claimants herein were serving the management for the last more than 10 years. It is clear from Annexure A attached with the statement of claim that the claimant Shri Bachan Singh was engaged long back in the year 1998. Shri Babu Lal, Shri Surender Kumar were engaged in 1998, Shri Rajesh Kumar in 1997, Shri Manoj Chhatrari in 1999. They have also raised dispute at the earliest and the workmen are not guilty of any delay and lapses in raising the demand about their illegal termination by the management. Therefore, ratio of the judgement in *Harinandan Prasad* case (supra) is not of much help to the management. Dispute in the case on hand is not merely pertaining to regularization but also regarding regularization of services of the workmen who have been left out by the management without assigning any reason. Learned A/R for the management could not spell out as to why case of the claimants was not considered for regularization when they were otherwise eligible as per policy Ex.MW1/W1 for such regularization. Moreover, there is not even an iota of evidence on record from the side of the management to show as to what were the considerations which weighed with the management for nor regularization of their services, much worse oral order of termination was passed against the said claimants who were performing their duties continuously against perennial nature of work.

31. In *ONGC Ltd. Vs. Petroleum Coal Labour Union 2015 Labour I.C. 2483*, the Hon'ble Apex Court again clarified that *Uma Devi* case does not denude the labour court of their statutory powers contained in the Act. The provisions of Industrial Dispute Act and powers of the Industrial and Labour Courts provided therein were not at all under consideration in *Uma Devi*'s case.

32. In view of this, the reference is answered in favour of the claimants and against the management by holding that demand of the claimants for regularization of their service is both legal and valid. Services of the claimants herein,

whose names are mentioned in Annexure-I attached with the statement of claim, are liable to be regularized. The Award is passed accordingly. Let a copy of this Award be sent for publication as required under section 17 of the Act.

AWARD

1. Consequent upon receiving of reference from Government of India, Ministry of labour, vide letter No. L-12012/23/2014 – IR(B-II) dated 24.04.2014 under clause (d) of sub-section (1) and sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947, (in short, the Act) this Tribunal is required to adjudicate an industrial dispute, terms of which are as under :

‘Whether the action of the management of (i)the Chief Manager, Corporation Bank, Zonal Office(South), New Delhi and (ii) the Branch Manager, Corporation Bank, NIT Faridabad (Haryana) in terminating the services of Shri Dinesh Kapoor S/o late Shri Lekh Raj, ex-Driver with effect from 01.05.2010 is just and legal? What relief the workman is entitled to and from what date?’

2. Upon issuance of notice to both the parties and the claimant filed his statement of claim wherein it is alleged that he was employed by the management No.2 as driver on 22.08.2005 on sanctioned post and was posted on duty at Faridabad branch of the Bank, though no letter of appointment was issued to him. He used to draw Rs.5750.00 per month on vouchers before his termination.
3. At the time of initial appointment, claimant was asked by the Branch Manager of Management No.2 as driver, he was asked to furnish certain documents, i.e. three passport size photographs, copy of driving licence, ID proof, residence proof and age proof alongwith bio-data. These documents were forwarded to Head office of the management at Mangalore for the purpose of seeking approval from Head Office. Management, at the apex level, had ratified the proposal submitted by the Branch Manager, Faridabad and thereafter, the claimant has been working under the supervision and control of the said management.
4. It is the case of the claimant that apart from driving Bank's own cars bearing Nos.HR-51-AC-8805 and HR-26L-7605, the claimant used to perform various kinds of outdoor duties, such as taking clearings and cash from one branch to another, taking delivery of gadgets owned by the bank like computer/printers and its accessories from different vendors. However, management had denied the statutory benefits to the claimant vis-à-vis minimum wages, overtime wages, leave encashment etc. Management No.2 used to release monthly wages on vouchers but when they came to know that ID bearing No.22/2007, now re-numbered as 1/2014, between the management No.1 and the claimant, they stopped paying salary to the claimant. Management had never framed any policy for the purpose of regularization/absorption of drivers of the bank nor prepared any seniority list till date. Management had regularized services of four drivers as driver/peon without adhering to any banking rules and norms etc.
5. Lastly, claimant has averred that on 01.05.2010 when he reported for duties, he was not allowed by the Branch Manager of Management No.2 to work and orally asked him to surrender the keys of the car as services of the claimant was required no more. . Management had not assigned any reason for terminating services of the claimant. The claimant worked from 22.08.2005 to 01.05.2010 continuously to the satisfaction of his superiors without any adverse remarks/complaint from any quarter. He has, thus, put in more than 240 days of service in each calendar year and as such, termination of the job of the claimant is in violation of the provisions of section 25-F of the Act. Finally a prayer has been made in the claim petition to pass an award in favour of the claimant by reinstating him with back wages.
6. Claim was resisted by the management who filed written statement thereto taking various preliminary objections, inter alia that there was no relationship of employer and employee between the management and the claimant. Claimant was engaged as car driver by the executives in their personal capacity and they are not workmen within the meaning of Section 2(s) of the Act. Thus, there is no relationship of master and servant between personal car driver and the bank. No letter of appointment was issued to the claimant nor his attendance was marked as he was neither permanent nor temporary staff of the management. There is no post of personal car driver with the bank. Services of the claimant was taken as personal car driver in personal capacity and amount paid to these drivers is reimbursed under the head 'allowances'. On merits, most of the averments made in the claim petition have been denied. However, it is admitted that the executives concerned has forwarded documents of the claimant to the Head Office at Mangalore for seeking their approval for engaging him as personal car driver.
7. It has further been alleged in para 3 of the written statement that it is the sole decision of the executive to engage a particular person as personal car driver who meet the minimum norms set by the bank for engagement with approval of the Head Office to. Such personal car drivers are allowed certain allowances, normally known as perquisites. Duties assigned to the drivers are normally presumed to be part of the duties assigned by the manager of the bank.
8. Rejoinder was filed on behalf of the claimant wherein averments made in the written statement were denied and stand taken in the statement of claim was reasserted as well as reiterated.
9. Against this factual background, this Tribunal vide order dated 10.03.2015, framed the following issues:
 - (i) Whether the action of the management of (i) Chief Manager, Corporation Bank, Zonal Office(South), New Delhi and (ii) the Branch Manager, Corporation Bank, NIT Faridabad (Haryana) in terminating the service of Shri Dinesh Kapoor S/o late Lakh Raj, ex-driver with effect from 01.05.2010 is just and legal? If so, its effect?
 - (ii) Whether the employer and employee relationship exists between the management and claimant/workman? If so, its effect?
 - (iii) Whether drivers engaged by executives concerned in their personal capacity are not 'workman' within the meaning of Section (s) of the ID Act, 1947?
 - (iv) To what relief the workman/claimant is entitled and from what date?

10. Both parties adduced evidence in support of the stand taken in their respective pleadings. Claimant in order to prove his case examined himself as WW1 and tendered his affidavit Ex.WW1/A and he also tendered documents Ex.WW1/127. Management, in order to rebut the case of the claimant, examined Shri Ms.Jajaj as MW1 whose affidavit is Ex.MW1/A.

11. I have heard Shri S.B. Sahily, A/R for the claimant and Shri Rajat Arora, A/R for the management.

Findings on Issue No. (ii) and (iii)

12. Both these issues are being taken up together for the purpose of discussion as they are inter-related and can be conveniently disposed of. It is the case of the management that there is no relationship of employer and employee between the management and the claimant and the claimant was engaged as driver in personal capacity by the executives of the bank/Branch Manager. In order to appreciate this plea raised by the management in its pleadings, it is appropriate to refer to the stand taken by the management in its written statement. No doubt in the preliminary objections, management has specifically averred that there was no employer/employee relationship between the management and the claimant and the claimant was personal car driver engaged by the officials of the bank for working as drivers and such executives are allowed certain allowances/perquisites for engaging car drivers to facilitate the work. In para 2 of the written statement, on merits, it has been averred that the executives concerned has forwarded set of documents, i.e. three passport size photographs, copy of driving licence, ID Proof, residence proof and age proof alongwith bio-data to the head office of the bank at Manglore for seeking approval for engaging services of the claimant as personal car drivers. During the course of arguments, it was not denied by the management that the claimant was being paid wages regularly after his engagement against miscellaneous /general charges.

13. Now the moot point before this Tribunal is whether the claimant can be termed to be 'workman' so as to create relationship of employer and employee between the claimant and the management. In order to appreciate submissions raised at the bar by the respective parties in respect of the status of the claimant as 'workman' for the purpose of the Act, it is necessary to reproduce the definition of workman as given in Section 2 (s) of the Act and the same is as under :

"workman" means any person (including an apprentice employed in any industry to do any manual, unskilled, skilled, technical, operational, clerical or supervisory work for hire or reward, whether the terms of employment be express or implied, and for the purposes of any proceeding under this Act in relation to an industrial dispute, includes any such person who has been dismissed, discharged or retrenched in connection with, or as a consequence of, that dispute, or whose dismissal, discharge or retrenchment has led to that dispute, but does not include any such person-

- (i) who is subject to the Air Force Act, 1950 (45 of 1950), or the Army Act, 1950 (46 of 1950), or the Navy Act, 1957 (62 of 1957); or
- (ii) who is employed in the police service or as an officer or other employee of a prison; or
- (iii) who is employed mainly in a managerial or administrative capacity; or
- (iv) who, being employed in a supervisory capacity, draws wages exceeding one thousand six hundred rupees per mensem or exercises, either by the nature of the duties attached to the office or by reason of the powers vested in him, function mainly of a managerial nature.

14. Bare perusal of the above definition would show that in industrial law there is no distinction between permanent or temporary employee as long as a person is in the employment and is doing any category of work, i.e. manual, unskilled etc. for the employer, he is to be treated as a workman under the industrial disputes Act and still get benefit of the same. Contention of the management that no letter of appointment was issued to the claimant regarding his engagement with the bank as driver though appears to be quite attractive, yet in view of settled legal position as well as evidence on record it is clear that the claimant was driving the car belonging to the management and it clearly suggests that the claimant was engaged to drive the above official car, i.e. Maruti 800 bearing registration No.DL 7C 7189, belonging to the management bank and not personal car of the driver.

15. Hon'ble Apex Court also in the case of Management of Sonapat Co-operative Sugar Mills Ltd. vs. Ajit Singh (AIR 2005 (105) FLR I) has laid down the criteria to ascertain whether a person is a workman or not and observed that a person would come within the purview of the definition of the workman if he is employed in any industry and performs any manual, unskilled, skilled, technical, operational, clerical or supervisory work. It is also trite that designation given by the employer to a workman is not a decisive factor and what is important is the nature of duties being performed by such workmen so as to decide the question whether he or she is a workman under the industrial law or not.

16. It has been held by the Hon'ble Apex Court in the case of Devender Singh Vs. MC Sanaur AIR (2001) SC 2532, wherein, while interpreting provisions of Section 2(s) of the Act, which deals with definition of workman, as under:

“The source of employment, the method of recruitment, the terms and conditions of employment/contract of service, the quantum of wages/pay and the mode of payment are not at all relevant for deciding whether or not a person is a workman within the meaning of [Section 2\(s\)](#) of the Act.

The definition of workman also does not make any distinction between full time and part time employee or a person appointed on contract basis. There is nothing in the plain language of [Section 2\(s\)](#) from which it can be inferred that only a person employed on regular basis or a person employed for doing whole time job is a workman and the one employed on temporary, part time or contract basis on fixed wages or as a casual employee or for doing duty for fixed hours is not a workman.

15. Whenever an employer challenges the maintainability of industrial dispute on the ground that the employee is not a workman within the meaning of [Section 2\(s\)](#) of the Act, what the Labour Court/Industrial Tribunal is required to consider is whether the person is employed in an industry for hire or reward for doing manual, unskilled, skilled, operational, technical or clerical work in an industry. Once the test of employment for hire or reward for doing the specified type of work is satisfied, the employee would fall within the definition of ‘workman’.

17. Admittedly, in the case on hand, claimant has been engaged as driver and the only dispute being raised before the court by the management is whether the claimant is personal driver of the executives of the bank or such drivers are in the employment of the bank. It is necessary to mention here that the car which the claimant was driving was not the personal car of the executives of the bank and said car, in fact, belonged to the bank and payment of salary/ wages was also being paid by the said executive from the kitty of the bank under the head ‘Allowance/General/miscellaneous charges’. Claimant while appearing as WW1, in his affidavit, has reasserted the stand taken in the statement of claim that he was doing work as driver of the bank and was also performing various miscellaneous functions entrusted to him by the senior officials of the bank. He was also taking clearing and cash from one branch to another, delivering various gadgets owned by the bank, like computers, printers etc. During the course of arguments, attention of the court was also invited to the guidelines/policy Ex.MW1/W1 which deals with absorption of personal car drivers as sub staff/peon cum drivers. It is clear from perusal of the above policy that matter regarding permanent engagement of personal car drivers and absorbing them in the mainstream has been discussed at the highest level and the same has been approved by Government of India from time to time. The policy guidelines are given in Annexure and this also specifies the conditions to be fulfilled before absorbing personal car drivers in the establishment of the bank. There is condition of minimum 5 years of service as personal car driver. It is not the case of the management that the claimant herein is not fulfilling the said conditions. Management has only come with the plea that personal car drivers cannot be said to be workmen for the purpose of the Act. Since from definition of ‘workman’ as discussed above, is very wide and comprehensive. Claimant herein is admittedly working continuously in the establishment of the bank since the time of his engagement till his termination. As such, it does not lie in the mouth of the management to say that the claimant is not in the employment of the bank. Accordingly, it is held that there is relationship of employer and employee between the management and the claimant and the claimant herein falls within the definition of ‘workman’ as defined under section 2(s) of the Act.

Issue No. (i) and (iv)

18. Both these issues are inter-connected and is being taken up together for the purpose of discussion. It is clear from the matrix of the case that the claimant herein was admittedly engaged as personal car driver in August 2005 and he was continuously performing the job of driver with different executives/Branch Managers of the bank. Claimant, in his affidavit Ex.WW1/A has supported the averments made in the statement of claim. It is further clear from Ex.WW1/2 to Ex.WW1/7 that the claimant was paid salary by the management for December 2008, January 2009, March 2009, April 2009, May 2009 and June 2009. He was also paid miscellaneous charges of Rs.370.00, Rs.70.00 vide Ex.WW1/8 and Ex.WW1/9 and Rs.75.00 for visiting Delhi Accounts Section, Rs.75 for visiting Hodal Co-operative Bank, Rs.75 for dropping Chief Manager at NOIDA, Rs.60.00 being parking charges, Rs.75 for bringing Chief Manager from NOIDA, Rs.75.00 for taking the Chief Manager to Rajender Nagar, Rs.25.00 for local remittance Union Bank, Rs.75.00 for visiting ZO:Rajendra Place and again Rs.75.00 for going to Rajender Nagar, Rs.100.00 for Gurgaon remittance, Rs.100.00 for visiting ZO:Delhi, vide exhibits to Ex.WW1/10 to Ex.WW1/21. These vouchers show that the driver was paid charges under the different heads from time to time during the year 2008-09. All these documents were not disputed even by the management. There is a receipt dated 25.09.2007 which shows that a Maruti 800 car was provided by the branch of Corporation Bank bearing registration No.HR 26L-7605 alongwith relevant documents. Claimant has also served demand notice Ex.WW1/23 on the management.

19. Statement of MW1 also shows that the claimant herein was performing duties for the bank. She has admitted that MW1/W1 was duly approved by Board of Directors of the bank. She was not sure about the preparation of seniority list of the drivers. However, she has admitted that Shri Sanjiv Kumar, Shri Babu Lal, Shri Baldev Mandal and

Shri Surender Kumar Prajapati were absorbed by the bank and their names were not sponsored by Employment Exchange. She is also not aware whether personal car drivers were performing outdoor duties. Claimant has never worked under this witness. She has admitted that executives of the bank were paying conveyance charges to the claimant and Head office used to decide the amount of wages to be paid to the claimant. Even the salary as well as increments in the salary used to be decided by Head office of the bank. He has also referred to the absorption policy Ex.MW1/W1 framed by the management. It is, thus, clear from overall examination of this witness that the claimant was being paid salary from the kitty of the bank and everything was being approved by the Head Office from time to time. In such a situation, when there is already policy of the bank for absorption of drivers, some of them, whose names are mentioned above, have already been absorbed by the management. Contention of the management that the claimant is a personal car driver of the executive of the bank cannot legally sustain. The claimant has been performing all kinds of miscellaneous duties under the directions of executives of the bank and charges were also being paid to the claimant for doing such jobs.

20. Admittedly, no notice in terms of provisions of section 25-F of the Act was issued to the claimant before terminating or disengaging him from service. Claimant has specifically averred that he had put in more than 240 days of service in each calendar year after his engagement in 2005. Moreover, it is not the case of the management that the claimant has not worked for 240 days preceding his termination in a calendar year. Management has come with the only plea that the claimant was a personal car driver and there was no relationship of employer and employee between the management and the claimant. Since the claimant is performing duties being assigned by the officials of the bank, including all miscellaneous duties, in that eventuality before order termination, it was incumbent upon the management to have issued a valid notice as required under Section 25-F of the Act or one months' salary. It is also appropriate to refer to rule 77 of the Industrial Disputes (Central) Rules, 1957 that an employer shall prepare list of workers in a particular category from which retrenchment is contemplated arranged according to the seniority of their service in that category and cause a copy thereof to be pasted on a notice board in a conspicuous place in the premises of the industrial establishment at least seven days before the actual date of retrenchment. To my mind, preparation of seniority list of even casual or daily rated workmen is necessary so as to meet the requirement of Section 25-G of the Act, which primarily deals with the principle of 'Last come first go'. In order to attract provisions of 25-G of the Act, it is not even necessary that the workman has worked for a period of 240 days during the previous 12 calendar months preceding his termination of service. It is sufficient for him to plead and prove that while effecting retrenchment, employer violated the rule of 'Last come first go' without any tangible reason. Net result of the above discussion is that termination of services of the claimant herein orally by the management in September 2012 is in complete violation of provisions of Section 25-F of the Act inasmuch as concededly management has not served any prior notice upon the claimant nor one months' notice was given to the claimant in lieu thereof at the time of his retrenchment. Claimant was admittedly not given any kind of retrenchment compensation as required under Section 25-F of the Act. It is now well settled position under the law that provisions of section 25-F of the Act are mandatory in nature and violation of such provisions would render the action of the management to be totally illegal, null and void under the law. I find support to this view of mine from the case of *Ajay Pal Singh Vs. Haryana Warehousing Corporation* (2015) SCC 320. Similar view has been taken by Hon'ble Apex Court in a number of cases and I need not burden this file with the same.

21. Having said so, now the residual question is whether the claimant is entitled for reinstatement with back wages. Question as to whether the workman whose services have been dispensed with was terminated/retrenched in contravention of provisions of Section 25—F of the Act is no longer res integra as this point has been adjudicated by the Hon'ble Apex Court as well as various Hon'ble High Courts in a number of cases. In the case of *Deepali Gundu Surwase vs. Kranti Junior Adyapak Mahavidyalaya (D.Ed) and others* (2013 Lab.I.C. 4249), Hon'ble Apex Court held as under:

'Ordinarily, an employee or workman whose services are terminated and who is desirous of getting back wages is required to either plead or at least make a statement before the adjudicating authority or the Court of first instance that he/she was not gainfully employed or was employed on lesser wages. If the employer wants to avoid payment of full back wages, then it has to plead and also lead cogent evidence to prove that the employee/workman was gainfully employed and was getting wages equal to the wages he/she was drawing prior to the termination of service. This is so because it is settled law that the burden of proof of the existence of a particular fact lies on the person who makes a positive averments about its existence. It is always easier to prove a positive fact than to prove a negative fact. Therefore, once the employee shows that he was not employed, the onus lies on the employer to specifically plead and prove that the employee was gainfully employed and was getting the same or substantially similar emoluments.'

22. No doubt, Hon'ble Apex Court in similar cases has observed that there are number of factors which are to be taken into consideration while considering question of full back wages or only payment of retrenchment compensation or reasonable compensation. Such factors which could be culled out from the various judgements are the length of service, whether claimant was doing work of regular or perennial in nature or was just employed for a specific work

which is of temporary or seasonal nature, whether there is no delay in making reference or approaching this Tribunal by the claimant, whether the workman was working against sanctioned post or work is still subsisting so as to consider the question of re-employment of the workmen.

23. Further, there is also evidence on record that four drivers, namely Shri Sanjeev Kumar, Shri Babu Lal, Shri Baldev Mandal and Shri Surendra Kumar Prajapati have been absorbed by the bank and were never sponsored by the Employment Exchange, Sainik Board or approved panel of the bank whereas services of the claimant has been terminated, admittedly without any one months' notice/pay in lieu thereof or payment of retrenchment compensation. To my mind, in such a situation, when there is no delay on the part of the claimant in approaching this Tribunal at the earliest, relief of reinstatement with full back wages appears to be just and reasonable and the same is, hereby, allowed.

24. As a sequel to my above discussion made herein above, it is held that action of the management of (i) the Chief Manager, Corporation Bank, Zonal Office(South), New Delhi and (ii) the Branch Manager, Corporation Bank, NIT Faridabad (Haryana) in terminating the services of Shri Dinesh Kapoor S/o late Shri Lekh Raj, ex-Driver with effect from 01.05.2010 is totally illegal and in complete violation of section 25-F, G and H of the Act. As such, the management is directed to reinstate Shri Dinesh Kapoor, the claimant herein, with full back wages. An award is, accordingly, passed. Let this award be sent to the appropriate Government, as required under Section 17 of the Industrial Disputes Act, 1947, for publication.

AWARD

By order No.-L-20012/01/2007 IR-(CM-I), dated. 30/01/2009 the Central Govt. in the Ministry of Labour has, in exercise of powers conferred by clause (d) of Sub-Section (1) and Sub-Section (2A) of Section 10 of the Industrial Disputes Act, 1947, referred the following disputes for adjudication to this Tribunal:

SCHEDULE

“Whether the action of the management of North Tisra Colliery of M/S BCCL in terminating Shri Nandlal Bouri, M/ Loader w.e.f 20.07.2005 is legal and justified? (ii) To What relief is the concerned workman entitled?”

2. The case is received from the Ministry of Labour on 13. 02.2009. After receipt of reference, both parties are noticed. But after long delay, the Sponsoring Union files their written statement on 06.12.2016. And the management also files their written statement -cum-rejoinder on 26.05.2017. The point involved in the reference is that the workman has been dismissed from his services w.e.f 20.07.2005. No evidence adduced by either side.

3. The short point involved in the reference is that the workman has been dismissed from his services on absenteeism.

4. During Preliminary hearing, it is revealed that the case is dismissal of workman for long absence on duty. But he has already out of service for last 12 years. It is felt to give another chance to the workman to serve.

5. Considering the facts and circumstances of this case, I hold that he be taken into job as a fresh employee as under ground General Mazdoor cat-I scale. But the workman be kept under probation for a period two year. Therefore the question of granting back wages does not arise at all.

This is my award.

AWARD

1. Central Government, Mol, vide notification No. L-41012/101/2010-IR (B-I) dated 19-05-2011, has referred the following dispute for adjudication to this tribunal.
2. “Whether the action of the management of Assistant Engineer, North Central Railway, Mohaba under Divisional Railway Manager(P), North Central Railway, Jhansi in terminating the services of Shri Shankar Lal S/o Shri Halkoo Ram, Ex-Gangman w.e.f 1/1/98, is legal and justified? To what relief the workman is entitled?”
3. In the instant case a reference was referred to Central Government Industrial Tribunal cum Labor Court, Kanpur, whereupon notice to the claimant was issued under registered post by CGIT Kanpur for filing his claim in the case.
4. Worker Shankar Lal has filed this claim statement with the facts that he was permanent employee working under P.W.I as gang man and he was working with opposite parties from 1978 to 9.11.96 continuously. In November 1996 he could not attend his duties due to illness and his services were terminated illegally by the order dated 23-12-97 passed by Assistant Engineer Mahoba and no enquiry was conducted before terminating his services nor was any charge sheet served. He has preferred appeal before DRM Jhansi on 15-5-98 but it was also dismissed on 14-09-98. He was not given any opportunity to submit his explanation and was not given any opportunity of hearing before terminating his job.

5. Opposite parties has filed written statement stating that Shankar Lal remained absent from 10-11-96 to 3-04-97 without any information illegally and thereafter charge sheet was issued to him on 21-04-97 by registered post which was refused by worker thereafter it was pasted on notice board and Shri O.P Sharma P.W.I was appointed as enquiry officer. Letter sent by enquiry officer to worker by registered post which was refused by him and worker did not appear in inquiry and thereafter he was found guilty and disciplinary authority has terminated his service by the order dated 23-12-97. Worker has preferred appeal which was also dismissed as worker could not file any medical certificate for his illness. Management has filed documents which shall be discussed at appropriate stage. Worker has filed his rejoinder affidavit and documents paper no 7/7 to 7/14 which shall be discussed at appropriate stage.
6. Thereafter worker Shankar Lal has filed affidavit in evidence on 11.5.15. After giving sufficient opportunity for more than 2 years opposite parties did not cross examine the worker and therefore opportunity of opposite party to cross examine the worker is closed. Management did not adduce any evidence.
7. I have heard Ld. A.R of worker none appeared for opposite parties to submit their arguments. I have also perused the record.
8. Worker Shankar Lal has alleged that he could not attend his duties due to his illness. Management opposite parties in its w/s also contended that worker Shankar Lal remained absent from 1-11-96 to 3-4-97 without any information and he was issued a charge sheet annexure-2 which worker has refused to accept. But on perusal of annexure -3 it appears that worker has never refused to accept but it was returned unserved due to absence of worker. It is also alleged that management had pasted charge sheet on notice board of the office but it was also fruitless as worker was not attending his office due to illness and it was not possible for him to know about charge sheet. These facts were supported by worker on oath in his affidavit filed in his evidence which is uncontroverted and facts alleged in affidavit are not disputed by management A.R. as he did not cross examine worker on the affidavit. Thereafter domestic enquiry was conducted by enquiry officer without collecting any evidence against the worker and presumed his absence to be unauthorized. Thereafter disciplinary authority on perusal of inquiry of report terminated the service of worker vide the order dated 23-11-97 which is annexer-6 of w/s. It is surprising before terminating service of worker disciplinary authority has not issued show-cause notice to worker to explain why his services be not terminated which is mandatory provision. It shows that enquiry conducted against the worker was merely formality and disciplinary authority has terminated the services of worker on the domestic enquiry conducted against the principle of Natural Justice and without following mandatory provision of issuing show-cause notice to the worker. Worker had also preferred appeal which was also rejected by DRM vide order dated 14-09-98 on the ground that in medical certificate issued by private doctor it is not mentioned that worker remains admitted.
9. Management has not adduced any evidence in this matter nor did cross examine the worker on the affidavit filed in evidence. Therefore facts alleged in the affidavit in support of claim of worker are not controverted by management and therefore liable to be accepted. Domestic enquiry conducted against the worker has also held unjust and against the principle of Natural Justice and on such enquiry worker cannot be terminated as disciplinary authority has also failed to comply with mandatory provision of issuing show –cause notice to worker to explain as to why his services be not terminated as such worker could not have any opportunity to explain ground of illness to disciplinary authority and thereafter worker in appeal has filed medical certificate of private doctor which was also accepted by the appellate authority but order of termination was upheld only because it was not mentioned in the medical certificate that worker remained admitted in hospital.
10. Worker Shankar Lal in his affidavit has also alleged that Shri Maiya Deen Aman was also found guilty of same type of charge but he was reinstated by management and simple warning was issued and copy of order is filed by worker in paper no 12/14. It was also referred that Maiya Deen Aman was also found guilty of remaining absent but on considering his background he was reinstated on humanitarian ground. This fact was also not rebetted by management.
11. For the reason given above the tribunal is of the view that action of management of Assistant engineer NC Railway Mahoba, in terminating the services of Shri Shankar Lal son of Halku Ram as gang man w.e.f 1-01-98 is illegal and unjustified and worker Shankar Lal is liable to be reinstated on the same post on the same scale of pay he was getting at the time to termination with full back wages from date of termination till his joining.

AWARD

In exercise of powers conferred by clause (d) of Sub-section(1) and Sub-section 2(A) of Section 10 of the Industrial Disputes Act, 1947(14 of 1947), Govt. of India through the Ministry of Labour vide its letter **NO. L-22012/264/99-IR(CM-II)** dated 07.01.2000 has been pleased to refer the following dispute for adjudication by this Tribunal.

SCHEDULE

“Whether the action of the management of Jamuria Colliery in not providing employment to Shri Suku Majhi, son of Late Bindu Majhi, ex. Tramper of Jamuria Colliery is justified? If not, what relief Shri Suku Majhi, the son of Late Bindu Majhi is entitled to get? ”

1. Having received the Order **NO. L-22012/264/99-IR(CM-II)** dated 07.01.2000 of the above said reference from the Govt. of India, Ministry of Labour, New Delhi for adjudication of the dispute, a Reference Case No. **05 of 2000** was registered on 18.01.2000 / 10.10.2001. Accordingly an order to that effect was passed to issue notices through the registered post to the parties concerned, directing them to appear in the court, on the date fixed and to file their written statements along with the relevant documents and a list of witnesses in support of their claims. In pursuance of the said order notices by the registered post were sent to the parties concerned. Both the parties appeared in the Tribunal, through their representative.

2. The applicant Smt. Dukhi Mejhan has filed written statement. She has alleged that Late Bindu Majhi was a permanent employee of the company bearing U.M. No. 249575. Late Bindu Majhi was sick. He expired on 03.09.1991 during employment of the company. Shri Suku Majhi son of Late Bindu Majhi applied for employment under Clause 9:4:2 of National Coal Wage Agreement- V. Shri Suku Majhi was called to appear before the Screening Committee on 23.11.1995. Management took four years to call Shri Suku Majhi to appear before the Screening Committee. Shri Suku Majhi appeared before the committee, but the management did not take any action. Shri Suku was not even informed about the position of employment. The delay is abnormal. This is violation of Clause 9:4:2 of National Coal Wage Agreement- IV. The management has not offered employment to Shri Suku Majhi. The applicant has prayed that Shri Suku Majhi, son of Late Bindu Majhi of Jamuria Colliery of M/s. Eastern Coalfields Limited should be provided employment immediately with all consequential benefits.

3. The Agent of Jamuria Colliery of M/s. Eastern Coalfields Limited has filed written statement. He has stated in his written statement that Late Bindu Majhi was a permanent employee of Jamuria Colliery of M/s. Eastern Coalfields Limited bearing U.M No. 249575 who expired on 03.09.1991. After lapse of 4 (Four) years from the death of ex-employee one, Smt. Dukhi Mejhan submitted an application in plain paper as wife of Late Bindu Majhi to the Agent of Jamuria Colliery on 15.06.1995 for employment of her elder son namely, Shri Suku Majhi for the death of Late Bindu Majhi. Smt. Dukhi Mejhan was intimated by Letter No. AB/P-1/154/95/761 dated 19/22.06.1995 by the Manager of Jamuria Colliery of M/s. Eastern Coalfields Limited to explain the reasons of inordinate delay in submitting employment file with some papers signed on 03.10.1991 and February, 1995. No satisfactory explanation was received from Smt. Dukhi Mejhan and Shri Suku Majhi. On scrutiny of the application it is revealed that Late Bindu Majhi expired at Kalla Central Hospital of M/s. Eastern Coalfields Limited on 03.09.1991 whereas, death certificate submitted by her issued by M. O., Sirisdanga and H. C. Nandi Burdwan which states that Late Bindu Majhi expired at

his residence on 03.09.1991. In absence of death registration certificate genuineness of death is yet to be established. The claimants could not establish by proof before the management for their genuine claim. Therefore management could not consider the aforesaid matter before the Screening Committee.

4. Smt. Dukhi Mejhan has filed rejoinder written statement. She has alleged that it is wrong that she applied for employment of her son after lapse of 4 (Four) years. After death of Late Bindu Majhi she applied for job of her son on 03.10.1991. The management after examining the papers informed her verbally that Attestation Form, Identity Bond and so many documents are yet to be submitted for providing employment. She is an illiterate lady. She could not manage the required documents in time. The Death Certificate has been signed by competent authority. Late Bindu Majhi expired on 03.09.1991. Regarding genuineness of death and relationship of father and son can be verified by management or by any agency. The Death Certificate of Late Bindu Majhi has been issued by The Medical Officer, Sirishdanga S.H.C., Govt. of West Bengal. The applicant was called to appear before the Screening committee

5. The applicant has filed following documents in support of their claim :-

(i) Photocopy of the discharge certificate of Late Bindu Majhi issued from Kalla Hospital, (ii) Photocopy of the death certificate issued by the M.O., (iii) Photocopy of the application submitted by Smt. Dukhi Mejhan for providing employment to her son, (iv) Photocopy of the No Objection Certificate by the family members, (v) Photocopy of the Attestation Form submitted by the son, (vi) Photocopy of the relationship certificate signed by the M.L.A, Jamuria, (vii) Photocopy of the T.C issued from School, (viii) Photocopy of the certificate issued by S.D.O, Asansol, (ix) Photocopy of the Identity Card of Late Bindu Majhi, (x) Photocopy of the letter issued by Manager dated 19/23.06.1995, (xi) Photocopy of the letter of Manager for Screening, (xii) Photocopy of the letter of GM (P & IR) E.C.L. dated 23.09.1998, (xiii) Photocopy of the application of Smt. Dukhi Mejhan

Smt. Dukhi Mejhan, widow of Late Bindu Majhi has filed affidavit in her oral evidence. She has been cross-examined by the learned advocate of Jamuria Colliery of M/s. Eastern Coalfields Limited.

Jamuria Colliery has filed some documents in support of their case :-

(i) Photocopy of the doctor certificate of dated 3.3.2001 issued by Govt. doctor, (ii) Photocopy of the petition of dated 15.6.95 of Smt. Dukhi Mejhan addressed to the Agent, Jamuria A.B. Pit, (iii) Photocopy of the Letter of the Manager of A. B. Pit Colliery of Jamuria dated 20.06.1995.

The management of Jamuria Colliery of M/s. Eastern Coalfields Limited has not filed any oral evidence.

6. Shri Rakesh Kumar, the learned union representative appeared on behalf of applicant. Shri P. K. Das, the learned advocate appeared on behalf of Jamuria Colliery of M/s. Eastern Coalfields Limited. I have heard the arguments of both sides.

7. Shri Rakesh Kumar, union representative for the applicant has argued that the workman expired on 03.09.1991. As per provision of National Coal Wage Agreement the widow, Smt. Dukhi Mejhan applied for employment of her son, Shri Suku Majhi and as per provision of National Coal Wage Agreement- IV Shri Suku Majhi is entitled for employment. Shri Suku Majhi has appeared before the Screening Committee as per direction of Colliery. But colliery authority did not offer employment to Shri Suku Majhi which is violation of National Coal Wage Agreement. On the other hand Shri P. K. Das, learned advocate for the management has argued that the applicant has failed to establish the relationship with deceased Late Bindu Majhi. Therefore, Shri Suku Majhi is not entitled for employment.

8. It is not disputed that Shri Late Bindu Majhi was a permanent employee of Jamuria Colliery of M/s. Eastern Coalfields Limited. It is also not disputed that Late Bindu Majhi expired on 03.09.1991 while in employment of the company. So far as the relationship is concerned Shri Suku Majhi has filed copy of certificate issued by the S.D.O., Asansol. S.D.O., Asansol has issued Certificate No. 629/93 dated 17.04.1993. S.D.O., Asansol has certified that Shri Suku Majhi is the son of Late Bindu Majhi and he belongs to Scheduled Tribe Community. The copy of Transfer Certificate has been filed by the applicant, in which it has been mentioned that Shri Suku Majhi is the son of Late Bindu Majhi. This certificate has been issued on 03.04.1991. The family members have filed No Objection for providing employment to Shri Suku Majhi, son of Late Bindu Majhi. The Death Certificate has been issued by Shri Rajendra Pandey, Medical Officer on 03.09.1991. The widow, Smt. Dukhi Mejhan has submitted application for employment of her son on death of Late Bindu Majhi, his father. The copy has been served to Jamuria Colliery of M/s. Eastern Coalfields Limited on 15.10.1991. In Chapter Social Security of National Coal Wage Agreement- IV the relevant provisions are as follows:-

“9.4.2 *Employment of one dependant of the workers who dies while in service :*

(i) *The dependant for this purpose means the wife/husband as the case may be, unmarried daughter, son and legally adopted son. If no such direct dependant is available for employment, younger brother, widowed*

daughter/widowed daughter-in-law or son-in-law residing with the deceased & almost wholly dependant on the earnings of the deceased may be considered to be the dependants of the deceased.

(ii) *The dependants to be considered for employment should be physically fit and suitable for employment and aged not more than 35 years provided that the age limit shall not apply in the case of spouse."*

9. From perusal of above clause it is apparent that dependant son is entitled for employment in colliery on the death of his father, if death occurred during course of employment. The dependant son should be physically fit and should not be more than 35 years. As per Transfer Certificate filed by the applicant, the date of birth of Shri Suku Majhi is 03.06.1971. As per this Certificate the age of Shri Suku Majhi was 20 (Twenty) years 3 (Three) months on the death of his father on 03.09.1991. Therefore Shri Suku Majhi is within the age group as prescribed by the National Coal Wage Agreement. Smt. Dukhi Mejhan applied for job of dependant son namely Shri Suku Majhi on 15.10.1991. The copy of letter dated 15.10.1991 has been filed on record.

10. *The term 'SETTLEMENT' has been defined under section 2 (p) of Industrial Dispute Act, 1947 as under :*

" 'SETTLEMENT' means a settlement arrived at in the course of conciliation proceeding and includes a written agreement between the employer and workmen arrived at otherwise than in the course of conciliation proceeding where such agreement has been signed by the parties thereto in such manner as may be prescribed and a copy thereof has been sent to [an officer authorized in this behalf by] the appropriate Government and the conciliation officer."

As per Section 18 of Industrial Dispute Act, 1947 the settlement arrived at by agreement between the employer and the workman shall be binding on the parties to the agreement.

11. As per National Coal Wage Agreement there is no time limit fixed for applicant to apply for employment. But however the Manager of Jamuria Colliery issued letter No. AB/P-1/154/95/761 dated 19/23.06.1995 to Smt. Dukhi Mejhan asking for reasons for delay for submitting application for employment. As per Manager of Jamuria Colliery Smt. Dukhi Mejhan applied for employment for her dependant son on 15.06.1995. But subsequently on 13/16.11.1995 Manager, Jamuria Colliery by letter no. AB/NGB/95/Dy. P.M./1274 instructed Shri Suku Majhi to appear before the Screening Committee on 23.11.1995 at 10:00 A.M. It reflects that even after delay the management of Jamuria Colliery considered the application for employment of Shri Suku Majhi, son of Late Bindu Majhi. The committee was constituted of 3 (Three) Officers for considering the employment of Shri Suku Majhi and one Smt. Shyampati Devi. But neither the management of colliery offered employment to Shri Suku Majhi, dependant son of Late Bindu Majhi nor rejected the claim. So far as the allegation of death of Late Bindu Majhi at his residence is concerned, it has no significance. The management of Jamuria Colliery has admitted in Para - 5 of his written statement that Late Bindu Majhi was a permanent employee of Jamuria Colliery of M/s. Eastern Coalfields Limited, expired on 03.09.1991. When death of workman during employment is admitted then place of death has no significance. As per provision of clause 9:4:2 of National Coal Wage Agreement Shri Suku Majhi, the son of Late Bindu Majhi is entitled for employment in Jamuria Colliery of M/s. Eastern Coalfields Limited.

12. Hon'ble Supreme Court in **Sushma Gosain and others V/s. Union of India and others, 1989 (59) FLR page 626** has held;

"We consider that it must be stated unequivocally that in all claims for appointment on compassionate grounds, there should not be any delay in appointment. The purpose of providing appointment on compassionate ground is to mitigate the hardship due to death of the bread earner in the family. Such appointment should, therefore, be provided immediately to redeem the family in distress. It is improper to keep such case pending for years. If there is not suitable post for appointment supernumerary post should be created to accommodate the applicant."

13. In view of above discussion the action of management of Jamuria Colliery of M/s. Eastern Coalfields Limited in not providing employment to Shri Suku Majhi, son of Late Bindu Majhi, Ex-Trammer of Jamuria Colliery of M/s. Eastern Coalfields Limited is unjustified. Shri Suku Majhi is entitled for employment in Jamuria Colliery of M/s. Eastern Coalfields Limited.

ORDER

Let an "Award" be and the same is passed as per above discussion. Send the copies of the order to the Govt. of India, Ministry of Labour, New Delhi for information and needful. The reference is accordingly disposed of.

By not sending information to the management Shri Dilip Majhi has been held guilty as per Clause 26.1.1. of Certified Standing Order. In finding the Enquiry Officer has not said that Shri Dilip Majhi is guilty of habitual late attendance or habitual or wilful absence from duty without sufficient cause. Unauthorized absence is not a misconduct under clause 26 of the Certified Standing Order of M/s. Bharat Coking Coal Limited. During enquiry proceeding the delinquent workman submitted medical certificate in reply to his charge. Without proving the charges the dismissal of workman is wrong, illegal and unjustified. The workman has prayed that the action of management of Victoria West Colliery of M/s. Bharat Coking Coal Limited in dismissing Shri Dilip Majhi, Underground Loader with effect from 07.08.1997 is illegal and unjustified and concerned workman is entitled to re-instatement in service with full back wages of illegal dismissal period.

3. The Agent, Victoria West Colliery of M/s. Bharat Coking Coal Limited has alleged in his written statement that Ex-workman Shri Dilip Majhi was working as Underground Loader at Victoria West Colliery of M/s. Bharat Coking Coal Limited. He was absent from duty since 10.02.1996 wilfully or without sufficient cause without any prior permission or authorized leave. As such the ex-employee was charge sheeted by the management for his act of misconduct by charge sheet dated 27.06.1996 as per the provision of Certified Standing Order under Clause 26.1.1. The ex-workman replied to the said charges. He stated that due to his sickness he could not attend his duty. He was under medical treatment of Dr. F. C. Gorai, D.H.M.S, Salanpur. But the explanation offered by the ex-workman was found to be totally unsatisfactory. Therefore it was decided to held domestic enquiry. The enquiry proceeding was conducted in presence of ex-workman. The Enquiry Officer held the charges proved against the delinquent workman. The disciplinary authority after considering the enquiry report and other connected papers passed the dismissal order considering the gravity of misconduct committed by the ex-workman. The punishment awarded to ex-workman is fully justified and proportionate and the workman is not entitled to any relief.

4. The workman has filed the following documents :

(i) Photocopy of the Enquiry Proceeding, (ii) Photocopy of the Charge Sheet, (iii) Photocopy of the Medical Certificate, (iv) Photocopy of the Certified Standing Order.

The workman, Shri Dilip Majhi has filed affidavit in his oral evidence. The learned advocate of M/s. Bharat Coking Coal Limited has cross-examined the workman Shri Dilip Majhi.

The management of Victoria West Colliery of M/s. Bharat Coking Coal Limited has not filed oral or documentary evidence in support of his case.

5. Shri Subhas Kumar Singh, learned union representative appeared on behalf of workman and Shri P. K. Das, learned advocate appeared on behalf of Victoria West Colliery of M/s. Bharat Coking Coal Limited. I have heard the argument of both parties.

6. Shri Subhas Kumar Singh, the learned Union representative for the workman has argued that the delinquent workman has put in 2 (Two) years and 2 (Two) months in service. In such short span of service, a workman cannot be deemed habitual absentee as per Certified Standing Order of M/s. Bharat Coking Coal Limited. The allegation against the workman is regarding late attendance, but this charge has not been proved. As per certified standing order of M/s. Bharat Coking Coal Limited the unauthorized absence is not a misconduct. If a workman is absent from duty, he can be converted into 'Badli'. He has also argued that for his absence of 4 (Four) months and 17 (Seventeen) days, the punishment of dismissal is unjustified. On the other hand Shri P. K. Das, learned advocate for the management has argued that 'wilful absence' and 'unauthorized absence' are same thing. Only there is difference of word. The workman has not challenged the bona fide and genuineness of domestic enquiry. The punishment of dismissal for wilful absence is justified.

7. It is admitted fact that the delinquent workman, Shri Dilip Majhi was in employment of Victoria West Colliery of M/s. Bharat Coking Coal Limited as U Loader. It is also admitted fact that workman was absent from duty from 10.2.96 to 27.6.96 and after domestic enquiry he was dismissed from service. The delinquent workman Shri Dilip

Majhi has participated in enquiry proceeding. From perusal of written statement it is relevant to mention that delinquent workman has not challenged the validity of enquiry proceeding. As per argument of learned union representative, absence is not a misconduct as per clause 26.1.1 of certified standing order. The workman has alleged the reasons of his absence from duty was his illness.

8. The relevant questions arises for consideration are: Whether delinquent workman was sick during his period of absence? Whether his illness was of such extent that he was unable to inform the management regarding his illness? Whether 'unauthorized absence' will amount to 'wilful absence' as per clause 26.1.1. of Certified Standing Order of M/s. Bharat Coking Coal Limited?

" Clause 26.1.1. of Certified Standing Order of M/s. BCCL is reproduced as below:-

Habitual late attendance or wilful or habitual absence from duty without sufficient cause. "

9. Shri V. K. Sharma, W-1 has stated in his statement during enquiry proceeding that Shri Dilip Majhi did not report for his duty and then remains absent from 10.02.1996 to 27.06.1996. He did not give any information about his sickness to the management. In the 'Oxford English Dictionary' the meaning of "wilful" is 'intentional' or 'deliberate.' As per Certified Standing Order, wilful absence from duty without sufficient cause is act of misconduct. There is no force in the argument of learned union representative. There is provision of Medical Examination in Clause 8.0 of certified standing order of M/s. Bharat Coking Coal Limited which is reproduced as below:-

" 8.0 - Medical Examination :-

Subject to the provisions of the Mines Act, and the Rules/Regulations framed thereunder, all the workmen/employees would subject to medical examination periodically by a Medical Officer of the Company free of charge, for detection and treatment of occupational diseases and leprosy, tuberculosis etc. The employees requiring treatment will be treated free of charge "

10. The Clause 17.8 of Certified Standing Order of M/s. Bharat Coking Coal Limited clearly states as follows:-

" If an employee remains absent unauthorisedly or remains absent beyond the period of leave originally granted or subsequently extended he will lose his lien on his appointment unless he returns within 10 days from the date of such absence and explains to the satisfaction of the Manager his inability to return on the expiry of his leave. In case the employee loses his lien on the appointment, he shall be entitled to be kept on the 'badli' list. "

As per above Clause if an employee remains absent from duty up to 10 (Ten) days or if he is on sanctioned leave and after expiry of the sanctioned leave he remains absent from duty up to 10 (Ten) days, but he returns on duty within 10 (Ten) days of unauthorized leave and explains to the satisfaction of the manager the inability to return on the expiry of his leave, otherwise he will be kept on 'Badli' list and the permanent employee will lost lien on his permanent post. In present case Shri Dilip Majhi, the delinquent employee was absent for more than 10 days and he did not explain to the satisfaction of the manager regarding to his inability to return to his duty.

11. In view of the above Clause the argument of learned union representative that for absence of more than 4 (Four) months workman cannot be dismissed, but will be kept on 'Badli' list has no substance. The permanent employee will be kept on 'Badli' list only in case he is unauthorized absent from duty, not more than 10 (ten) days. But in the present reference the employee was unauthorizedly absent from duty for a period of 4 (Four) months and 17 (Seventeen) days.

12. The reasons of absence has been alleged by the delinquent workman i.e. for his sickness. The delinquent workman has filed Medical Certificate which is marked as Annexure - C. Dr. F. C. Gorai has certified that Shri Dilip Majhi was suffering from Chronic Gastritis and was under his treatment from 10.02.1996 to 03.07.1996. Now he is fit to resume his duty from 04.07.1996. This certificate has been issued on 03.07.1996. There is no prescription, no case history. There is no pathological examination report. Apparently the delinquent workman was not admitted in any Hospital or Nursing Home and he was treated as outdoor patient. Even attending doctor has not mentioned that on which successive date Shri Dilip Majhi was consulted by him. The medical certificate does not inspire confidence. If Shri Dilip Majhi was not admitted in any Hospital or Nursing Home then definitely he was in a position to send information to the management of Victoria West Colliery of M/s. Bharat Coking Coal Limited. Manipulation of false Medical certificate to justify unauthorized absence is also a misconduct.

13. The delinquent workman, Shri Dilip Majhi has participated in the departmental enquiry conducted against him. At the cost of repetition it is necessary to refer that the delinquent workman has not challenged the departmental enquiry. It will be presumed that he accepted the validity of the departmental enquiry. The departmental enquiry is unbiased. Therefore punishment of dismissal for wilful absent for a period of 4 (Four) months and 17 (Seventeen) days does not appeared to be unjustified.

14. In view of the above discussion the action of management of Victoria West Colliery of M/s. Bharat Coking Coal Limited in dismissing Shri Dilip Majhi, Underground Loader with effect from 07.08.1997 is legal and justified. The workman Shri Dilip Majhi is not entitled to any relief.

ORDER

Let an "Award" be and the same is passed as per above discussion. Send the copies of the order to the Govt. of India, Ministry of Labour, New Delhi for information and needful. The reference is accordingly disposed of.

AWARD

In exercise of powers conferred by clause (d) of Sub-section(1) and Sub-section 2(A) of Section 10 of the Industrial Disputes Act, 1947(14 of 1947), Govt. of India through the Ministry of Labour vide its letter **NO. L-22012/505/99-IR(CM-II)** dated 13.07.2000 has been pleased to refer the following dispute for adjudication by this Tribunal.

SCHEDULE

“ Whether the action of the management of Khas Kajora Colliery of M/s. E. C. Ltd. in not providing employment to the dependent of Sh. Kripali Das, is legal and justified? If not, to what relief the workman is entitled? ”

1. Having received the Order **NO. L-22012/505/99–IR(CM-II)** dated 13.07.2000 of the above said reference from the Govt. of India, Ministry of Labour, New Delhi for adjudication of the dispute, a Reference Case No. **59 of 2000** was registered on 01.08.2000 / 17.10.2001. Accordingly an order to that effect was passed to issue notices through the registered post to the parties concerned, directing them to appear in the court, on the date fixed and to file their written statements along with the relevant documents and a list of witnesses in support of their claims. In pursuance of the said order notices by the registered post were sent to the parties concerned. Both the parties appeared in the Tribunal, through their representative.

2. The applicant has filed written statement through his Union representative and has alleged that Shri Kripali Das was a permanent employee of Khas Kajora Colliery of M/s. Eastern Coalfields Limited designated as Underground Loader having U. M0 No. 552812. His date of birth is 30.08.1964. Shri Kripali Das was sick. He applied for his retirement on medical ground. He was declared medically unfit on 31.05.1991. He nominated his one dependant for employment under clause 9:4:3 of National Coal Wage Agreement- III and IV. The management processed the employment proposal of his son-in-law. The management sent the file to Kajora Area Office of M/s. Eastern Coalfields Limited and Area Management. After screening the file, sent the file to M/s. Eastern Coalfields Limited Head Quarter for approval and at Head Quarter level the file was again examined. The management regretted the proposal of employment on the plea that the workman has failed to prove the genuineness of the relationship. But it is not a fact. Management deputed an Officer to examine the genuineness of the relationship of the dependant son-in-law with Shri Kripali Das. The Enquiry Officer went to the native place and verified the genuineness of relationship of Shri Kripali Das with his son-in-law. Shri Kripali Das is entitled to get employment of his dependant as per Clause 9:3:2 of National Coal Wage Agreement- III. Shri Kripali Das has prayed that one dependant of Shri Kripali Das should be provided employment as per National Coal Wage Agreement- III with all consequential benefits.

3. The Agent of Khas Kajora Colliery of M/s. Eastern Coalfields Limited has filed written statement. He has admitted that Shri Kripali Das was an employee of Khas Kajora Colliery of M/s. Eastern Coalfields Limited and he was declared medically unfit on 31.05.2001. Shri Kripali Das claimed employment in favour of Shri Rewat Das by identifying him as his dependant son-in-law. But on subsequent scrutiny it was found that relationship is not genuine and Shri Kripali Das has failed to justify the identity of the person whom he nominated for employment. In absence of proper identification the claim for employment was not considered by the management. The process of employment depends upon certain requirements. But in the instant case the workman failed to justify the said claim in the matter of providing employment to his nominee. The competent authority rejected the claim for employment. The process of employment does not confer any legal right upon the concerned workman to claim for employment. The Head Quarter of the management rejected the claim because the workman failed to establish the genuineness of his relationship with the dependant. The action of the management in not providing employment to the dependant of Shri Kripali Das is totally justified and the workman is not entitled to any relief.

4. The applicant has filed rejoinder written statement. The applicant has stated that Shri Kripali Das has nominated his son-in-law for providing employment in his place under clause 9:4:3 of National Coal Wage Agreement. Shri Kripali Das submitted all relevant documents for providing employment. Necessary relationship certificate was also submitted. Shri Kripali Das also submitted Marriage Registration Certificate from Durgapur in which he mentioned that the marriage was solemnized at Khas Kajora Colliery and second marriage (*Gouna*) was solemnized at his native place. The management enquired the genuineness of relationship from Police of the native place. Police authority confirmed that Shri Rewat Das is the son-in-law of Shri Kripali Das, ex-worker of Khas Kajora Colliery of M/s. Eastern Coalfields Limited. In spite of police verification, the management verified the genuineness of relationship by sending his own Officer on the spot. The Officer of management confirmed that Shri Rewat Das is the son-in-law of Shri Kripali Das. Therefore, the question of doubt about relationship of Shri Kripali Das and Shri Rewat Das does not arise. Shri Kripali Das himself appeared before the Screening Committee and confirmed that Shri Rewat Das is his son-in-law. The denial of providing employment to the son-in-law of Shri Kripali Das is unjustified. The applicant has prayed that Shri Rewat Das, the dependant son-in-law of Shri Kripali Das should be provided employment without any delay.

5. The workman has filed following documents in support of his claim :-

(i) Xerox copy of service excerpts of Shri Kripali Das in which the name of Daughter Deoki Das appeared who married with Rewat Das, (ii) Xerox copy of Medical Unfit Report of Shri Kripali Das, ex-worker, (iii) Xerox copy of Application of Shri Kripali Das for providing Employment to the dependant son-in-law Rewat Das under the provision of National Coal Wage Agreement, (iv) Xerox copy of Proposal of Employment send to M/s. E.C.L. Head Quarter along with Screening Report and in proposal General Manager, Kajora Area recommended the proposal of Employment to Rewat Das, dependant son-in-law of Shri Kripali Das and submitted the spot Enquiry Report done by Dy. P.M, K.K.C., (v) Xerox copy of the letter of P.M., Kajora Area addressed to S.P., Giridih dated 23.04.1992. On the body of the letter report written, (vi) Xerox copy of Officer-in-Charge, Giridih dated. 02.02.1993 (vii) Xerox copy of

Police Report dated 31.12.1992, (viii) Xerox copy of Letter of P.M., Kajora Area addressed to S.P., Giridih for police verification of relationship between Shri Rewat Das and Shri Kripali Das, (ix) Xerox copy of the letter of P.M., Kajora Area dated 27/29.06.1995 for sending an Officer for spot enquiry, (x) Xerox copy of Agent, K.K.C. to P.M. (IC), Kajora dated 17.07.1995 to depute any Officer from Area for enquiry, (xi) Letter of P.M. (IC) to the Agent, Khas Kajora Colliery for deputing any Officer from Colliery for spot verification of relationship between Rewat Das and Shri Kripali Das dated 09.09.1995, (xii) Xerox copy of the Report of spot enquiry submitted by Shri G.P. Mal, the then Dy. P. M., Khas Kajora Colliery dated 18.01.1996 in which relationship between Shri Rewat Das and Shri Kripali Das was confirmed as son-in-law and father-in-law, (xiii) Xerox copy of Relationship Certificate of Shri Rewat Das, son-in-law of Shri Kripali Das, (xiv) Xerox copy of Attestation Form submitted by Shri Rewat Das for employment, (xv) Xerox copy of I.M.E. report of Shri Rewat Das, (xvi) Xerox copy of the provision of National Coal Wage Agreement, (xvii) Xerox copy of M.O.S. signed by the Management before R.L.C.(C), Asansol on 22.05.2007 in which it was agreed that all old claims of employment will be processed.

Shri Rewat Das, son-in-law of Shri Kripali Das has filed affidavit in his oral evidence. He has been cross-examined by the learned advocate of Khas Kajora Colliery of M/s. Eastern Coalfields Limited.

The Agent of Khas Kajora Colliery M/s. Eastern Coalfields Limited has not filed any oral or documentary evidence.

6. I have heard the argument of Shri Rakesh Kumar, the learned union representative on behalf of the applicant and Shri P. K. Das, learned advocate on behalf of Khas Kajora Colliery of M/s. Eastern Coalfields Limited.

7. Shri Rakesh Kumar, learned union representative for the workman has argued that Shri Kripali Das, the permanent employee of Khas Kajora colliery of M/s. Eastern Coalfields Limited was declared medically unfit. He opted for Voluntary Retirement. He nominated his son-in-law for providing job as per National Coal Wage Agreement- IV. H.Q. of management conducted police verification which confirmed that Shri Rewat Das is the son-in-law of Shri Kripali Das. The M/s. Eastern Coalfields Limited - H.Q. verified the relationship of Shri Rewat Das with Shri Kripali Das by sending one Officer at the spot. Officer of M/s. Eastern Coalfields Limited also confirmed that Rewat Das is the son-in-law of Shri Kripali Das and he was married to Smt. Deoki Das, daughter of Shri Kripali Das. The action of M/s. Eastern Coalfields Limited for not providing employment to the son-in-law of Shri Kripali Das is illegal and unjustified. On the other hand Shri P. K. Das, learned advocate for the management has argued that it is not proved that Shri Rewat Das is the son-in-law of Shri Kripali Das. Therefore, the action of management is justified in denying the employment proposal to Shri Rewat Das.

8. It is admitted fact that Shri Kripali Das was a permanent employee of Khas Kajora Colliery of M/s. Eastern Coalfields Limited as Underground Loader. It is also admitted that he applied for voluntary retirement on medical ground. He was declared medically unfit. The Agent of Khas Kajora Colliery of M/s. Eastern Coalfields Limited has denied the relationship of Shri Kripali Das with his son-in-law. The allegation of Khas Kajora colliery of M/s. Eastern Coalfields Limited is that Shri Kripali Das has failed to establish the genuineness of his relationship with Shri Rewat Das. But there is ample documentary evidence collected by M/s. Eastern Coalfields Limited, which has been filed by the applicant, describes that Shri Rewat Das, is the son-in-law of Shri Kripali Das. The management of Khas Kajora Colliery of M/s. Eastern Coalfields Limited has unsuccessfully attempted to deny the relationship of Shri Rewat Das, son-in-law of Shri Kripali Das. The workman has filed the copy of letter of Superintendent of Police bearing No. 128 dated 02.02.1993. The Superintendent of Police of Giridih District has confirmed that Shri Rewat Das is the son of Shri Samar Das. The M/s. Eastern Coalfields Limited authority sent one, Shri G. P. Mal, Dy. Personnel Manager of Khas Kajora Colliery of M/s. Eastern Coalfields Limited who visited on the spot and confirmed by his report dated 18.01.1996 that Smt. Deoki Das, daughter of Shri Kripali Das is married with Shri Rewat Das. The departmental report rebut the allegation contained in the written statement of Khas Kajora Colliery of M/s. Eastern Coalfields Limited

9. The applicant Shri Kripali Das has fortified his claim on the basis of clause 9:4:3 of National Coal Wage Agreement which is reproduced as below :

“ Employment to one dependant of a worker who is permanently disable in his place.

- (i) *The disablement of the worker concerned should arise from injury or disease, be of a permanent nature resulting into loss of employment and it should be so certified by the Coal Company concerned.*
- (ii) *In case of disablement arising out of general physical debility so certified by Coal Company concerned, not arising out of injury or disease as in Para (i) above, the concerned employee will be eligible for the benefit under this Clause if the employee is up to the age of 58 years.*
- (iii) *The dependant for this purpose means the wife / husband as the case may be, unmarried daughter, son and legally adopted son. If no such direct dependant is available for employment, younger brother,*

widowed daughter / widowed daughter-in-law or Son-in-law residing with the employee and almost wholly dependant on the earnings of the employees may be considered. ”

10. From perusal of above Clause it is apparent that son-in-law, in order of preference, at the last ladder. As per above Clause son-in-law will only be offered employment if he is residing with his father-in-law and depends on his earnings. The applicant has nowhere mentioned in his written statement that what is the name of his daughter and his son-in-law. He has not even mentioned that his son-in-law has been residing with him since marriage with his daughter and is wholly dependent on his earnings. If the son-in-law of Shri Kripali Das is not residing with Shri Kripali Das and is not dependent on his earnings, then he is not eligible as per Clause 9:4:3 (iii) of National Coal Wage Agreement – III & IV.

11. Shri Rewat Das, the son-in-law of Shri Kripali Das has alleged in his cross-examination that “ *my native village is Harodi in the state of Jharkhand. I was married with Deoki, daughter of Shri Kripali Das in the year 1989. I have 3 (Three) sons and 2 (Two) daughters. The age of my eldest son is 22 (Twenty Two) years. My eldest son was born in the year 1993. My eldest son is educated up to Class- VII, my Second son is educated up to Class- III and my third son is reading in Class-I. My children are reading at my native place. I will submit the documents of their studies.*” The evidence of Shri Rewat Das indicates that his sons and daughters are residing at his native place. He belongs to Harodi village. Therefore since marriage with Deoki Das, daughter of Shri Kripali Das, son-in-law Rewat Das has been residing at his native place Harodi in the state of Jharkhand. After marriage with Deoki Das, Shri Rewat Das has not been residing with Shri Kripali Das at the residence of Shri Kripali Das. Shri Rewat Das has never been dependant on the earnings of Shri Kripali Das. The Officer of M/s. Eastern Coalfields Limited in his report dated 18.01.1996 at Page - 2 has mentioned that “ *Shri Kripali Das is residing at village Telonari*” and at Page- 3 he has mentioned that “ *Smt. Deoki Das, daughter of Shri Kripali Das has been residing at village Harodi, Giridih district with her husband Shri Rewat Das.*” From the report of Dy. Personnel Manager it is apparent that Shri Rewat Das has been residing at separate residence at Harodi in Giridih district, State - Jharkhand. The Dy. Personnel Manager of M/s. Eastern Coalfields Limited has recorded the statement of Smt. Deoki Das, wife of Shri Rewat Das and daughter of Shri Kripali Das. Smt. Deoki Das has stated in her statement that she is the daughter of Shri Kripali Das who belongs to Telonari. The name of her husband is Shri Rewat Das. She was married with Shri Rewat Das in 1991. After ‘Gouna’ she came to the residence of her husband at Harodi. She is residing with Shri Rewat Das at Harodi. From the statement of Smt. Deoki Das and Shri Rewat Das it is manifestly clear that Shri Rewat Das is residing separately since his marriage with Smt. Deoki Das. He is disentitled for employment in place of his father-in-law, Shri Kripali Das as per clause 9:4:3 of National Coal Wage Agreement.

12. In view of the above discussion the action of management of Khas Kajora Colliery of M/s. Eastern Coalfields Limited in not providing employment to Shri Rewat Das, the dependant of Shri Kripali Das is legal and justified. The applicant is not entitled to any relief.

ORDER

Let an “Award” be and the same is passed as per above discussion. Send the copies of the order to the Govt. of India, Ministry of Labour, New Delhi for information and needful. The reference is accordingly disposed of.

1. Having received the Order **NO. L-22012/69/2000-IR(CM-II)** dated 14/15.09.2000 of the above said reference from the Govt. of India, Ministry of Labour, New Delhi for adjudication of the dispute, a Reference Case No. **87 of 2000** was registered on 27.09.2000/30.10.2001. 2. The applicant has alleged in his written statement, filed through his union representative that Shri Makbul Mia was in employment of the Company as Boiler Fireman at Kumardihi 'B' Colliery under Bankola Area of M/s. Eastern Coalfields Limited. He applied for Voluntary Retirement on medical ground under Clause 9:4:3 of National Coal Wage Agreement- IV due to his sickness and ill health. He was declared medically unfit by the competent Medical Board of the Company on 29.04.1991. The workman's service was terminated by the management after 2 (Two) month, being declared the workman unfit for job because the workman was not in a position to work. The Employment file of the workman was processed by the Colliery authority to the Area Office. The management of Bankola Area of M/s. Eastern Coalfields Limited called him to appear before the screening committee duly constituted for the above purpose. The Screening Committee being satisfied with the genuineness of the case recommended for employment of the dependant son of Shri Makbul Mia. The employment file of his son Shri Sukar Mia was forwarded to M/s. Eastern Coalfields Limited H.Q. with recommendation of the General Manager of Bankola Area of M/s. Eastern Coalfields Limited for issuing appointment letter in favour of him. But the management of M/s. Eastern Coalfields Limited H.Q. denied offering the appointment letter. Denial of offering employment to the dependant of Shri Makbul Mia is against the guidelines of National Coal Wage Agreement. The applicant has prayed that management of Kumardihi 'B' Colliery of M/s. Eastern Coalfields Limited be directed to provide employment to the dependant of Shri Makbul Mia, Ex Boiler Fireman as per National Coal Wage Agreement on the ground of being medically unfit by the Company's Medical Board. The applicant further prayed that the management be directed to provide adequate compensation to the dependent of Shri Makbul Mia for abnormal delay in offering the employment to him.

3. The Agent / Dy. C.M.E. of Kumardihi 'B' Colliery of M/s. Eastern Coalfields Limited has alleged in his written statement that the reference is not maintainable. Shri Makbul Mia, Ex-employee of Kumardihi 'B' Colliery of

M/s. Eastern Coalfields Limited applied for Voluntary Retirement on medical ground under the provisions of National Coal Wage Agreement by alleging that he was unable to perform any duty due to his sickness and ill health. On receipt of the said application Shri Makbul Mia was referred to medical board for assessment of his unfitness. He was declared medically unfit by the Medical Board. The competent authority after considering all the aspects terminated the service of the Ex-workman by declaring the workman unfit for the job. It is not admitted that the ex-workman was not in a position to perform any work before his termination from service. As per norms and guidelines of company if any workman is terminated on medical ground and his remaining period of service is not 12 (Twelve) months prior to his date of superannuation, in that event the benefit of Clause 9:4:3 of National Coal Wage Agreement will not be applicable. The provision of National Coal Wage Agreement will not be applicable in this case because the service of the workman, Shri Makbul Mia was terminated by the management being declared that the workman unfit for the job. His entitlement to get the benefit of employment to his dependant as per provision of National Coal Wage Agreement is out and out illegal demand of the Union. It is incorrect that the employment file of the dependant was forwarded to M/s. Eastern Coalfields Limited Head Quarter by General Manager of Bankola Area of M/s. Eastern Coalfields Limited with the recommendation. The management have / had no liability for providing any employment to the dependant son of Shri Makbul Mia. The action of management is fully justified in not providing employment to the dependant of Shri Makbul Mia. Shri Makbul Mia is not entitled to any relief.

4. Neither the workman nor the Agent, Kumardihi 'B' colliery has filed any documentary evidence. The applicant has filed affidavit of Shri Sukar Mia in his oral evidence. He has been cross-examined by the learned Advocate of M/s. Eastern Coalfields Limited.

5. I have heard the argument of Shri S.K Pandey, learned union representative on behalf of workman and Shri P.K. Das, the learned advocate on behalf of Kumardihi 'B' colliery of M/s. Eastern Coalfields Limited.

6. Shri S.K Pandey, learned union representative for the applicant has argued that as per provision of National Coal Wage Agreement the dependant son of Shri Makbul Mia should be offered employment because Shri Makbul Mia opted for Voluntary Retirement on medical ground. On the other hand, Shri P.K. Das, learned advocate for the management has argued that the dependant son of Shri Makbul Mia is not entitled for any employment as per National Coal Wage Agreement.

7. It is not disputed that Shri Makbul Mia was in employment of the company as Boiler Fireman at Kumardihi 'B' Colliery of M/s. Eastern Coalfields Limited. The applicant has alleged that being declared medically unfit, he opted for Voluntary Retirement. Whereas, the allegation of management of Kumardihi 'B' Colliery of M/s. Eastern Coalfields Limited is that being declared medically unfit the service of Shri Makbul Mia was terminated. Neither party to the reference has filed the documents regarding Voluntary Retirement or termination of Shri Makbul Mia. There is no evidence on record to ascertain whether Shri Makbul Mia has sought for Voluntary Retirement or he was terminated. No medical paper has been filed. As per Clause 9:4:3 of National Coal Wage Agreement the employment to one dependant of workman can be considered by M/s. Eastern Coalfields Limited authority. The clause is reproduced as follows:-

"Employment to one dependant of a worker who is permanently disable in his place:

- (i) The disablement of the worker concerned should arise from injury or disease, be of a permanent nature resulting into loss of employment and it should be so certified by the Coal Company concerned.*
- (ii) In case of disablement arising out of general physical debility so certified by Coal Company concerned, not arising out of injury or disease as in Para (i) above, the concerned employee will be eligible for the benefit under this Clause if the employee is up to the age of 58 years.*
- (iii) The dependant for this purpose means the wife / husband as the case may be, unmarried daughter, son and legally adopted son. If no such direct dependant is available for employment, younger brother, widowed daughter/widowed daughter-in-law or Son-in-law residing with the employee and almost wholly dependent on the earnings of the employees may be considered."*

8. From perusal of above clause it is clear that if disablement is arising due to general physical debility then it must be certified by the Coal Company concerned that it arose not from any injury or disease. Moreover the concerned employee will be eligible for the benefit in this Clause if the workman is of the age of 58 years. The applicant has not filed any documents regarding his age. Even he has not mentioned his date of birth or age in his written statement. Medical unfitness should arise due to general physical debility and not by any disease. If the workman is more than 58 years then he is disentitled to get any relief under this Clause. Shri Sukar Mia who has filed affidavit has stated that his father was suffering from Asthma. Even in his oral evidence, stated on oath, he has not mentioned the age of his father, Shri Makbul Mia. Shri Makbul Mia is not entitled as per Clause of National Coal Wage Agreement to get offer of employment for his son Shri Sukar Mia on his medical ground.

9. In view of the above discussion the action of the management of Kumardihi 'B' Colliery of M/s. Eastern Coalfields Limited in not providing employment to the dependant son of Shri Makbul Mia, ex-Boiler as per National Coal Wage Agreement is legal and justified. The workman is not entitled to any relief.

AWARD

The Government of India, Ministry of Labour by its order No. L-22012/131/2008-IR(CM-II) dated 31.3.2009 referred the following dispute under section 10(1)(d) of the I.D. Act, 1947 requiring this forum to decide the question:

SCHEDULE

“Whether the action of the management of M/s. SCCL in dismissing the services of Sri Lalith Prasad w.e.f. 26.5.2007 is legal and justified? To what relief is the workman concerned entitled?”

On receipt of the reference this Tribunal has registered and numbered the reference as I.D. No. 32/2009 and issued notices to both the workman and the management. They both appeared before the court and engaged their respective counsels with the leave of the court and consent of either party.

2. **The averments made in the claim statement in brief are as follows:**

The Petitioner was appointed as badli worker on 15.8.1982 and later he was promoted as Coal Filler in the year 1990 and further promoted as General Mazdoor in the year 1997. The Petitioner was regular to his duties till his dismissal from service vide order dated 18/22.5.2007. But during the year 2004, the Petitioner suffered High blood pressure and he was regularly taking treatment in the company hospital and also he has submitted sick certificates from time to time to the management. While the matters stood thus, one charge sheet was issued to the Petitioner by the Respondent alleging that the Petitioner absented for duty during the year 2004, which amounts to misconduct under company's Standing Order No.25.25. It is also stated that the charge sheet was sent to the Petitioner's house which was returned undelivered, and as such a paper advertisement was issued, advising the Petitioner to attend an enquiry, but as the Petitioner did not attend the enquiry on the scheduled date, an ex-parte enquiry was conducted and he was dismissed from service. It is stated that the Petitioner was undergoing treatment in company's hospital and he was not aware of either issuance of charge sheet or any publication made by the Respondents in the newspapers. The Petitioner could have certainly participated in the enquiry, if really he was in receipt of the charge sheet or notice of paper publication. The Petitioner submitted that he appeared before the counseling committee on 16.12.2005 wherein he had categorically stated that he was suffering from High Blood Pressure and taking treatment in the company's hospital, duly submitting the relevant documents pertaining to his treatment to the Respondent from time to time. But during the year 2006 though he joined in duty, unfortunately he fell sick and advised bed rest by the doctors at company hospital. But without considering any of his submissions, the Petitioner was dismissed from service vide office order dated 18/22.5.2007. It is also stated that the action of the Respondent's management in dismissing the Petitioner from service is wholly illegal, arbitrary, violative of the principles of natural justice. The Petitioner has rendered about 25 years of continuous service in the Respondent's management. The Petitioner approached the Respondent to consider his case sympathetically but the management did not pay any heed to it. Therefore, the Petitioner was constrained to approach the conciliation officer who made a conciliation meeting, but it was ended in failure and failure report was sent to the Ministry of Labour and Employment, who referred the matter to this Tribunal to decide whether the action of the Respondent is justified or not. On receipt of notice the Petitioner appeared before the Tribunal and filed claim statement with a prayer to declare the impugned order dated 18/22.5.2007 issued by the Respondent is illegal and arbitrary and to set aside the same and consequently to direct the Respondent to reinstate the Petitioner into service duly granting all other attendant benefits such as continuity of service, back wages etc..

3. **The Respondents filed counter denying the averments made in the petition, with the averments in brief which runs as follows:**

In the counter the Respondents while admitting some of the factual aspects to be true, stated that the Petitioner was appointed in the Respondents' company on 15.5.1982 as Badli Filler and he was drafted as General Mazdoor w.e.f. 1.9.1997. He was dismissed from service on proved charges of absenteeism, after conducting a detailed domestic enquiry duly following the principles of natural justice. A charge sheet was sent to his last known home address as per the procedure as he was not attending for duty, which was returned undelivered. Subsequently, the same was published in Andhra Jyothi Telugu daily newspaper dated 9.9.2006 advising the Petitioner to attend an enquiry fixed on 21.9.2006. The Petitioner neither submitted any explanation to the charge sheet nor attended the enquiry, as such an ex-parte enquiry was conducted on 21.9.2006 wherein the charges levelled against the Petitioner were proved. The enquiry was conducted purely following the principles of natural justice. It is stated that basing on the evidence adduced before the Enquiry Officer, the Enquiry Officer submitted his report holding the charges levelled against the Petitioner was proved. A copy of the enquiry report and the enquiry proceeding was sent to the Petitioner by way of show cause notice giving an opportunity to make representation against the findings made in the enquiry report; since the charge levelled against the Petitioner is proved and it was serious in nature, punishment warranted was dismissal from service. The Disciplinary Authority has gone through the enquiry proceeding and his past record, and found that there was no extenuating circumstances to take a lenient view and lastly, the Respondent was constrained to

dismiss the Petitioner from service. The Petitioner has received the charge sheet on 10.3.2006, but he has not submitted any sick certificates to the authorities to establish the genuineness of his grievances. It is stated that in fact the Petitioner was irregular to his duties and he did not improve his attendance even after issuing charge sheet, and after receiving the show cause notice. It is further stated that the punishment imposed on the Petitioner is justified and legal and as such the claim petition be dismissed in limini. The action of the Respondent is legal and justified.

4. The domestic enquiry conducted in the present case is not challenged by Petitioner, for which it is held as legal and valid vide order dated 21.9.2016.

5. Both the parties have advanced their arguments under Sec.11(A) of the Industrial Disputes Act, 1947, in support of their claim.

6. **In view of the above facts, the points for determination are:**

- I. Whether the action of the management of M/s. Singareni Collieries Company Ltd., in dismissing the services of Sri Lalith Prasad w.e.f. 26.5.2007 is legal and justified?
- II. Whether the Petitioner is entitled for reinstatement into service?
- III. If not, to what other relief he is entitled?

7. **Point No. I:** During the course of argument, the Learned Counsel appearing on behalf of the Petitioner submitted that due to illness the Petitioner could not be able to attend his duty sincerely. On account of absenteeism capital punishment of dismissal from service was imposed on the Petitioner. The Petitioner has worked 25 years continuously in the management and no penalty has been imposed on the Petitioner previously. But when the Petitioner has taken a stand that due to his illness he could not be able to attend his duties regularly and remained absent, the authority should have considered his case while imposing such a capital punishment. But the authority has not considered any of the submissions of the Petitioner, and has imposed capital punishment to the Petitioner when several modes of punishment are enumerated in the company's Standing Orders.

8. On the other hand, the Learned Counsel appearing on behalf of the Respondents submitted that when the Petitioner was a chronic absentee and was found guilty of the charges levelled against him, the punishment imposed by the Respondent's company is legal and proper. When the Petitioner was not sincere in his duty and failed to maintain minimum musters in a year he is not entitled to be reinstated in service.

9. Admittedly, working in the Mines is hazardous and remaining absent is not unusual. In this case, after the death of the father of the Petitioner, due to his illness and other family problems, he could not be able to be regular in his duty, and remained absent in his duties and a proceeding was initiated against him for his absenteeism followed by an enquiry. In the enquiry, the charges levelled against the Petitioner were proved. For this, capital punishment was imposed. After dismissal of service, the Petitioner has become jobless and unable to provide a square meal to his family members. The Petitioner has served 25 years under the Respondent. There was no previous punishment imposed on the Petitioner. Now he has already realised his mistake and has taken shelter in the court at the age of 59 years, he is now aged about 67 years and is searching ways and means to provide bread and butter to his family members and he has crossed the age of superannuation. In such a circumstances, at least one chance should be given to the Petitioner for his reinstatement into service in order to get all his terminal benefits. Admittedly several modes of punishment are enumerated in company's Standing Orders. But, at the fag end of service the Petitioner has been given capital punishment. The Petitioner is a first offender and has worked for about 25 years under the Respondent. While imposing capital punishment to his employees, the management should think of the condition of the workers as well as his family members. In this case, the punishment imposed by the Respondents for dismissal of service is too harsh. Therefore, it can safely be stated that the action taken by the management in imposing the punishment of dismissal from service to Sri Lalitha Prasad is not legal and justified.

Thus, Point No.I is answered accordingly.

10. **Point Nos. II & III:** In Point No.I, it has already been discussed that the punishment of dismissal from service to Sri Lalitha Prasad is not legal and justified. After dismissal of service as stated earlier, when the Petitioner has already realised his mistake and has come to the court with a prayer for reinstatement into service he should be given a chance to serve for his family members. After dismissal of service the Petitioner has become jobless and he being the sole bread earner of his family, is unable to provide a square meal to his family members. In such a circumstances at least the Petitioner should be given a chance to maintain his livelihood and to work under the Respondents' management. Admittedly during the pendency of this case the Petitioner has already retired from service after attaining superannuation. In the event of his reinstatement into service, he will get his terminal benefits and enjoy the fruits of his entire service. Therefore, the Petitioner is entitled to be reinstated into service and get 50% of back wages.

Thus, Point Nos. II & III are answered accordingly.

RESULT:

In the result, the reference is answered as follows:

The action of the management of M/s. SCCL in dismissing the services of Sri Lalith Prasad w.e.f. 26.5.2007 is neither legal nor justified. As the workman crossed the age of superannuation, he is entitled to get all the terminal benefits in view of his past service along with 50% back wages.

Award is passed accordingly. Transmit.

AWARD

The Government of India, Ministry of Labour by its order No. L-22012/09/2014-IR(CM-II) dated 19.6.2015 referred the following dispute between the management of M/s. Singareni Collieries Company Ltd., and their workman under section 10(1)(d) of the I.D. Act, 1947 for adjudication to this Tribunal. The reference is,

The reference is numbered in this Tribunal as I.D. No. 58/2015 and notices were issued to the parties concerned.

2. The case was posted for filing of claim statement by the Petitioner union. In spite of availing several opportunities, the Petitioner union remained absent and there was no representation on behalf of the Petitioner union which clearly indicates that perhaps the dispute of the Petitioner union has already been settled. In the circumstances stated above, it is felt that the Petitioner union is not interested in pursuing the dispute. Thus, ‘No dispute’ award is passed.

Award is passed accordingly. Transmit.
